Account 8564-7993-0708
Period 1–31 July 2990
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
122,737,061 s	**+1,300,121 s**	**-4,324,002 s**	**119,713,180 s**

Date	Description	Amount (s)	Balance (s)
04 Jul	Mech Veterans' Time Pension	+298,490	123,035,551
	The Luna branch pays your pension in days and converts the sum at the posted rate, which it does without remark. The veterans' desk there is staffed by former servicemen who ask after the same veterans each month, and who always ask after you first. Ref. CIBT-2990-AA90-7		
09 Jul	ATM withdrawal: Luna	-172,800	122,862,751
	You take the cash-time in the smallest denomination the machine offers. The custodian has begun to set a few of that kind aside in the tray for you, and says this is not a service and must not be entered as one. Ref. CIBT-2990-75F0-8		
17 Jul	Slippage fee (Luna, 1 transfers)	-300	122,862,451
	You check the slippage figure on each statement before the balance, and the officer at Hall E has noticed. The Bank regrets that the figure is seldom the more interesting of the two. Ref. CIBT-2990-7E62-0		
17 Jul	Transfer to own account: Luna	-4,064,502	118,797,949
	The 0.30 seconds charged on the 17th is the same sum as in every month since 2989, for a service described only as "continuing". The officer asks you to let her know if it ever stops. Ref. CIBT-2990-CD59-7		
18 Jul	ATM withdrawal: Luna	-86,400	118,711,549
	On Mars the machine pays in days and rounds down to the nearest sol. The 0.993 left over is held for you at the Mars office and will be paid at the next shuttle. Ref. CIBT-2990-23BE-8		
22 Jul	Payroll credit: Kepler Ring Hydroponics	+674,333	119,385,882
	Kepler Ring Hydroponics pays in arrears, on a schedule its own office describes as "when the ledger closes". This credit is for the period before last. It is shown on the date it arrived, which is the only date the Bank can vouch for. Ref. CIBT-2990-17D5-7		
31 Jul	Interest at 3.20% APY	+327,298	119,713,180
	The rate for the period was confirmed by the Authority's reference second on the 31st, and the interest was reckoned on that rate and not the one posted before it. The earlier rate was correct as posted, and is kept on file as a courtesy. Ref. CIBT-2990-4CF6-5		

Closing balance, month by month

August 2989 July 2990

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
