| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 01 Jan | ATM withdrawal: L4 Habitat | -259,200 | 120,172,472 |
| | A withdrawal of 3 Standard days at L4 Habitat appears in the machine's log in the custodian's hand and not the machine's. The custodian was asked why and said the machine had been busy. Ref. CIBT-2996-004F-6 | | |
| 07 Jan | Payroll credit: Kepler Ring Hydroponics | +674,333 | 120,846,805 |
| | The Kepler Ring Hydroponics wages were rounded down to the whole watch, and the 0.978 left over was given to the depot's gatekeeper as a tip. The gatekeeper has asked the Bank to say thank you, and the Bank has done so here. Ref. CIBT-2996-1CC4-3 | | |
| 10 Jan | ATM withdrawal: L4 Habitat | -259,200 | 120,587,605 |
| | Replacing the machine at L4 Habitat on the 10th changed its unit: the new one counts in watches where the old one counted in halves. Your withdrawals before and after the change have been converted at the rate of the day, and the total is unchanged. Ref. CIBT-2996-FE6F-1 | | |
| 15 Jan | Mech Veterans' Time Pension | +256,153 | 120,843,758 |
| | At L4 Habitat the pension is paid in watches from a desk that opens at the local dawn, so the sum is counted before the veterans' hall has had its breakfast. The desk asks that you come in only once you have eaten. Ref. CIBT-2996-5E95-0 | | |
| 20 Jan | Deposit: Hall E | +4,257,169 | 125,100,927 |
| | The deposit was entered as 4,257,169, which is the sum on the slip with its last figure dropped. That figure was a fraction of a second, and fractions of a second are kept, not deposited. Ref. CIBT-2996-C6C3-7 | | |
| 22 Jan | Slippage fee (L4 Habitat, 3 transfers) | -2,700 | 125,098,227 |
| | Kepler Ring Hydroponics's courier keeps its own weekday and delivers on a day the Bank's calendar does not contain, so the remittance was charged on the nearest day that does. The courier has been asked to use the Bank's days and has replied with its own, which it considers the more accurate of the two. Ref. CIBT-2996-9525-1 | | |
| 31 Jan | Interest at 3.20% APY | +321,151 | 125,419,378 |
| | Audit note: the accrued interest on this account has been traced to its source, the Head Office's own posting, and back through 44 earlier statements without a break. The auditors say a break would have been easier to explain. Ref. CIBT-2996-A8CF-6 | | |

February 2995 — January 2996

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
