| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 10 Jan | Payroll credit: Kepler Ring Hydroponics | +674,333 | 61,307,234 |
| | Your wages from Kepler Ring Hydroponics arrived in the same envelope as the last three months. The officer at Hall E has taken to opening it first, in the way one greets a relative who always comes on the same train. Ref. CIBT-3013-DA73-8 | | |
| 16 Jan | ATM withdrawal: Montréal Sector | -259,200 | 61,048,034 |
| | The line for the 16th named Montréal Sector as the place of withdrawal. The machine was in fact at Hall E, one concourse away. The statement now gives the correct place, and the concourse board has been checked against it. Ref. CIBT-3013-610C-7 | | |
| 18 Jan | Transfer to own account: Montréal Sector | -211,350 | 60,836,684 |
| | One sundry line on this account was entered in 3009 against a ledger page that no longer exists. It has been carried forward every quarter since, in good order, by a hand that nobody on staff can identify. Ref. CIBT-3013-1875-2 | | |
| 25 Jan | Mech Veterans' Time Pension | +321,837 | 61,158,521 |
| | The pension was late because the schedule had been printed on the wrong side of the paper, and every line on it read correctly from the back. It was reprinted and reissued on the 25th, and the payment was made on the day the reprint was checked. Ref. CIBT-3013-8662-3 | | |
| 31 Jan | Interest at 3.20% APY | +161,687 | 61,320,208 |
| | Interest is credited at the close of the day on the 31st of each month. The credit has not been posted late in any month since 3008, and the officer on duty has begun to mention it. Ref. CIBT-3013-9316-0 | | |
