Opening balance	Credits	Debits	Closing balance
84,821,753 s	**+1,216,504 s**	**-8,063,205 s**	**77,975,052 s**

Date	Description	Amount (s)	Balance (s)
03 Jan	Payroll credit: Kepler Ring Hydroponics	+674,333	85,496,086
	A wage from Kepler Ring Hydroponics was credited to a holder with no name on the register. The fraud office asked whether it was the holder it has been chasing for 6 years, the answer was no, and the office has asked that the sum be kept where it can be seen. Ref. CIBT-3014-4483-1		
09 Jan	Transfer to own account: Montréal Sector	-8,061,705	77,434,381
	Last quarter's sundry of 8,061,705 was keyed from the form for the year before, when the rate was different. The correct figure is 0.30 s. The difference has been credited to you, and the old line is struck through in full so that the mistake can be seen to be the Bank's and a plain one. Ref. CIBT-3014-5668-7		
13 Jan	Mech Veterans' Time Pension	+315,980	77,750,361
	The fee of 0.30 s each month is the last instalment on a pair of walking boots bought at Hall E. The veteran has walked to the window in them every month since, and the boots are in good order, and so is the fee. Ref. CIBT-3014-F3BC-4		
15 Jan	Slippage fee (Montréal Sector, 5 transfers)	-1,500	77,748,861
	The Teller notes that 1,500 seconds is a very small sum to be so careful about, and says she is glad someone is. Ref. CIBT-3014-D247-5		
31 Jan	Interest at 3.20% APY	+226,191	77,975,052
	A carrier on the Montréal Sector run delivered the rate notice 29 days after the rate took effect. The notice was posted at Hall E the morning it arrived, and the rate is applied from its effective date, since the carrier's lateness is not the account's to pay for. Ref. CIBT-3014-EBF5-8		

Closing balance, month by month

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
