| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 01 Jun | ATM withdrawal: L4 Habitat | -172,800 | 114,517,830 |
| | A withdrawal that took a second attempt at L4 Habitat carries no fee. The Bank counts the attempts and not the customer's patience, and charges for neither. Ref. CIBT-3029-5EDB-2 | | |
| 11 Jun | Mech Veterans' Time Pension | +292,243 | 114,810,073 |
| | The annual certificate of service was issued free of charge, after you pointed out that it had already been issued once this year. The second copy is filed with the first, which is the office's usual method for duplicates. Ref. CIBT-3029-F226-0 | | |
| 12 Jun | Deposit: Hall E | +4,905,680 | 119,715,753 |
| | A deposit addressed to the wrong branch was walked across the concourse to Hall E, a distance the Teller measured at 13 minutes and found to be exactly as far as it looked. It was credited on the day it reached the counter, not the day it set out. Ref. CIBT-3029-69B8-9 | | |
| 20 Jun | New Time™ exchange | +1,025 | 119,716,778 |
| | Your New Time™ spent 28 days in the back room at Hall E while the office found a counter tall enough for the envelope. The envelope was the largest recalled this quarter, and the counter was the shortest in the building. Ref. CIBT-3029-06AD-1 | | |
| 21 Jun | Event II restoration adjustment | -46,217 | 119,670,561 |
| | Event II restoration adjustment. Your account is in restoration group 4; groups are restored in the order the Task Force sets, and earlier groups may be adjusted again. Ref. CIBT-3029-E3D9-1 | | |
| 24 Jun | Payroll credit: Kepler Ring Hydroponics | +674,333 | 120,344,894 |
| | Net pay after deductions came to 674,333, rounded down to the whole watch. The deductions are printed in full above it, so that the rounding can be checked by anyone who wishes to, and very few do. Ref. CIBT-3029-5AF3-5 | | |
| 27 Jun | ATM withdrawal: L4 Habitat | -86,400 | 120,258,494 |
| | Machines at L4 Habitat round dispensing to the nearest 13 seconds, which makes the cash-time look neater than the balance it came from. The 0.982 difference is held in the machine's reserve and paid out to whichever depositor next asks for it. Ref. CIBT-3029-2292-3 | | |
| 30 Jun | Interest at 3.20% APY | +305,841 | 120,564,335 |
| | The usual charge for a paper copy of an interest line has been waived. The copy was requested by the auditors, not by you, and the Bank does not charge you for their question. Ref. CIBT-3029-10C6-4 | | |

### Closing balance, month by month

July 3028 — June 3029

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
