Standard Time Deposit

Rhea Eskeland
Unit 23, Pallas Ring 10

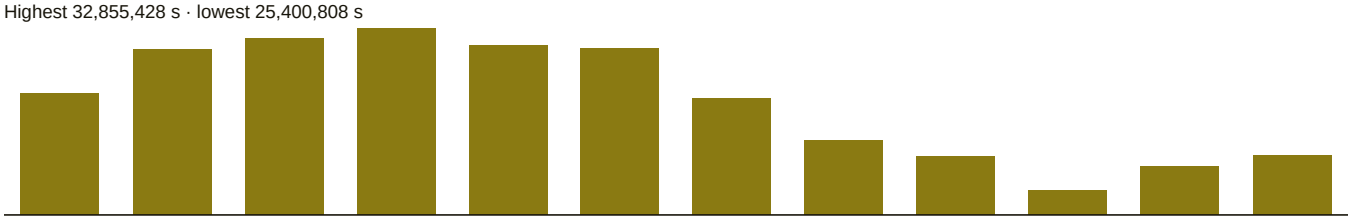

Account 8564-8046-7708
Period 1–31 October 3012
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
26,530,995 s	**+745,110 s**	**-275,960 s**	**27,000,145 s**

Date	Description	Amount (s)	Balance (s)
11 Oct	ATM withdrawal: Oakland Sector	-172,800	26,358,195
	A draw landing exactly on half of a day is paid to the even second, the machine's rule, which the Bank has adopted from the old ledgers and has not been asked to defend. Ref. CIBT-3012-A06A-0		
14 Oct	Transfer to joint account	-103,160	26,255,035
	Kepler Ring Hydroponics sends its half of the joint transfer under a covering line that reads only "as arranged". The Bank has never found out what was arranged, but the sum has always arrived. Ref. CIBT-3012-8D69-3		
23 Oct	Payroll credit: Kepler Ring Hydroponics	+171,933	26,426,968
	Your wages from Kepler Ring Hydroponics come in on a Thursday, and by the Friday you have moved a fifth of them to 8564-3199-8678, leaving the rest where it sits. The pattern has held for 10 years, which the Bank calls a budget and the Teller calls a habit. Ref. CIBT-3012-C3A7-6		
25 Oct	Deposit: Hall E	+406,484	26,833,452
	Counted by the Teller, who would like it known that she did not have her glasses on. The figure was checked by a second officer, who had hers. Ref. CIBT-3012-3DB8-9		
29 Oct	Mech Veterans' Time Pension	+60,570	26,894,022
	You have never missed a pension day, and the Pensions Office has begun to keep a chair for you at the veterans' window on the morning before. The officers say the chair is not an acknowledgement, though they do use it. Ref. CIBT-3012-E7E5-4		
31 Oct	Interest at 4.80% APY	+106,123	27,000,145
	Interest is shown to the nearest second on this statement, and the 0.986 removed by the rounding has been paid into the reserve for depositors who requested it. Nobody has asked for it back. Ref. CIBT-3012-524D-1		

Closing balance, month by month

November 3011 October 3012

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
