Opening balance	Credits	Debits	Closing balance
22,528,953 s	**+315,626 s**	**-502,834 s**	**22,341,745 s**

Date	Description	Amount (s)	Balance (s)
08 Aug	ATM withdrawal: Vancouver Sector	-86,400	22,442,553
	The officer checked the cash, the receipt and the balance, in that order, and reports that all three agree. She describes this as the only thing about the machine she is sure of. Ref. CIBT-3014-8402-6		
15 Aug	ATM withdrawal: Vancouver Sector	-86,400	22,356,153
	Your monthly withdrawal rises by 0.990 of a day each year, a rise you asked for in 3011. The machine has applied it without comment since, and has never once needed reminding. Ref. CIBT-3014-2721-4		
17 Aug	Transfer to own account: Vancouver Sector	-225,074	22,131,079
	The sundry adjustment of 225,074 was agreed at the counter after a discussion of some length. The Teller's note records only that you were right, and that you were told so, which is the sort of entry the Bank would rather not have to make. Ref. CIBT-3014-7541-9		
22 Aug	Transfer to joint account	-103,160	22,027,919
	The Teller notes that the transfer is correct, and that Nils Kowalczyk had said it would be, twice, before the form was lifted from the counter. Ref. CIBT-3014-4A33-9		
28 Aug	Payroll credit: Kepler Ring Hydroponics	+171,933	22,199,852
	A wage paid in days is converted to whole seconds at the posted rate, and any fraction under one second is shown on the statement as a dash. Yours was a dash, which the statement treats as a complete figure and the rule treats as a question still open. Ref. CIBT-3014-B434-1		
28 Aug	Slippage fee (Vancouver Sector, 3 transfers)	-1,800	22,198,052
	The fee for the period is higher than usual because the Vancouver Sector relay was down for 31 days, and every transfer went by the longer route. The longer route is charged at the longer rate, as the posted rates say. Ref. CIBT-3014-4F59-2		
29 Aug	Mech Veterans' Time Pension	+53,578	22,251,630
	The arrears from the 29th are shown on one line, not three. The office decided they were too small to be divided, and added them to this month's pension in a single sum, which is the same sum as before. Ref. CIBT-3014-8316-0		
31 Aug	Interest at 4.80% APY	+90,115	22,341,745
	The Rate Committee sends the Bank one page each January. It says only "unchanged", in the same type as the year before. The page is filed with that year's interest, and has never once been needed, which the Committee regards as the point of it. Ref. CIBT-3014-91EF-5

September 3013 August 3014

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
