Date	Description	Amount (s)	Balance (s)
07 Jul	Slippage fee (Singapore Sector, 1 transfers)	-600	59,082,393
	A crossing that begins at the Singapore Sector relay is charged on the day it starts on Mars, which is not always the day it ends on Earth. The Teller has explained this twice, and the Bank regards it as settled. Ref. CIBT-3003-2A3C-1		
17 Jul	ATM withdrawal: Singapore Sector	-172,800	58,909,593
	The 0.30 s charge on this withdrawal has not been taken. It fell due on the 17th, and on reflection the Bank decided that a fee on an amount this small would inconvenience everyone concerned, including the fee. Ref. CIBT-3003-6FC8-5		
24 Jul	ATM withdrawal: Singapore Sector	-86,400	58,823,193
	The withdrawal of One Standard day waited 29 days, because the confirming relay was carrying a schedule for another sector that week. The confirmation came on the 24th, and the cash is treated as dispensed on the first day. Ref. CIBT-3003-C298-8		
26 Jul	Payroll credit: Belt Ore Consolidated	+623,969	59,447,162
	Auditors' sample: the Belt Ore Consolidated pay for 9 periods matches the remitter's advice to the second, with one exception. That credit posted a day early because the remitter's office kept a holiday the Bank had not been told about, and the holiday has since been added to the calendar. Ref. CIBT-3003-90A2-8		
28 Jul	Deposit: Hall E	+1,411,233	60,858,395
	You have never asked for a deposit to be made in larger denominations, and the officers at Hall E have come to treat the matter as closed. A note in the file records that you prefer things as they are. Ref. CIBT-3003-C6B9-2		
31 Jul	Interest at 4.30% APY	+211,714	61,070,109
	Most people never look at the working. The Bank publishes it so that anyone who wants to can check it, and most who do then go back to bed. Ref. CIBT-3003-2249-7		

Closing balance, month by month

August 3002 July 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
