Period 1–30 June 3022
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

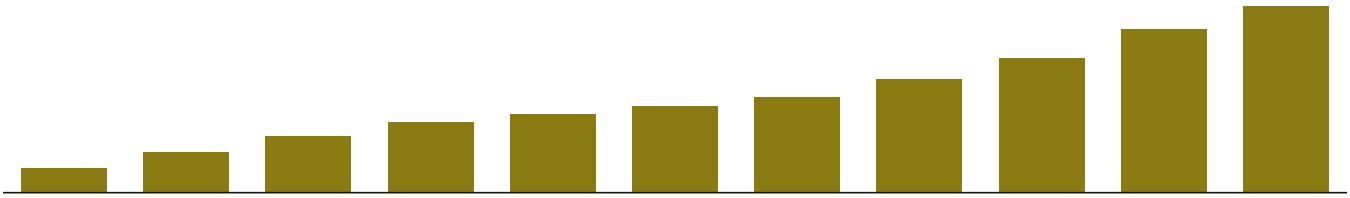

Opening balance	Credits	Debits	Closing balance
11,895,470 s	**+2,091,356 s**	**-361,644 s**	**13,625,182 s**

Date	Description	Amount (s)	Balance (s)
01 Jun	Temporal Health Plan	-14,844	11,880,626
	Your cover renews each year on the 1st, and the renewal is entered on the statement before the premium is taken, so you can read what you are paying for before you pay it. Ref. CIBT-3022-42A9-3		
02 Jun	Payroll credit: Interworld Post	+100,934	11,981,560
	Each month Interworld Post's payroll office sends the same figure with a slip reading "as before", and each month the Bank posts it as before. The slip has been used so long that the Bank has stamped it. Ref. CIBT-3022-8265-2		
13 Jun	Mech Veterans' Time Pension	+54,369	12,035,929
	Paid 30 days late, because the clerk who carries the sum up from the vault was stopped on the stairs by a lift that could not decide which floor it was on. The lift has been looked at. The clerk has not been asked to make the climb again. Ref. CIBT-3022-B730-9		
14 Jun	ATM withdrawal: Venus	-86,400	11,949,529
	The withdrawal at Venus stood on the screen for 42 minutes while the machine waited for a second officer's approval. The local office requires one for sums above a figure it does not publish, and once it was given, the cash came out without fuss. Ref. CIBT-3022-E75A-1		
16 Jun	New Time™ exchange	+20,677	11,970,206
	You bring one New Time™ coin to the counter each year on the anniversary of the recall notice and ask only for the rate. You are given the rate and then the coin, which you put back in your pocket without remark. Ref. CIBT-3022-04B4-7		
26 Jun	Slippage fee (Venus, 2 transfers)	-1,200	11,969,006
	Auditors' query: the slippage on 8564-8281-9708 was reckoned on the relay's clock at Venus, which was re-set while the transfer was in transit. The re-set is recorded, and the auditors accept that the seconds were in the air when it happened. Ref. CIBT-3022-8250-6		
26 Jun	Deposit: Hall E	+1,870,768	13,839,774
	The sum reached the window 28 days late, because the depositor had taken the long way round a flooded street and would not be hurried by a closed bridge. Interest does not run on the way round, only on the arrival. Ref. CIBT-3022-0DE2-4		
27 Jun	ATM withdrawal: Venus	-259,200	13,580,574
	For the auditors: this withdrawal is one of 10 sampled from the Hall E machines this quarter, and it agrees to the machine's journal to the second. No reply is required. Ref. CIBT-3022-311B-4		
30 Jun	Interest at 4.50% APY	+44,608	13,625,182

Date	Description	Amount (s)	Balance (s)
	Interworld Post asked the Bank to waive the fee on its share of your interest, on the grounds that the interest had already been taxed in its own offices. The Bank replied that it does not tax interest, and waived the fee anyway. Ref. CIBT-3022-8860-3		

Closing balance, month by month

Highest 13,625,182 s · lowest 1,275,198 s

August 3021 June 3022

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
