Date	Description	Amount (s)	Balance (s)
01 Jun	Mech Veterans' Time Pension	+56,348	13,158,425
	The Mars Station pension desk now has a Positive Contact officer, who reads the schedule aloud to you in the unit your own people count in. The officer has learned the unit well, and the Bank has not been asked to learn it. Ref. CIBT-3029-62C7-2		
04 Jun	Temporal Health Plan	-20,028	13,138,397
	Care at Mars Station is paid on the day the station's medical officer signs for it, which can fall 30 days after the care itself. The plan calls this the station's pace and has learned to wait for it. Ref. CIBT-3029-90B5-0		
21 Jun	Slippage fee (Mars Station, 9 transfers)	-2,700	13,135,697
	Your 9 crossings sat in the far office's in-tray for 31 days, filed under the wrong week. Once found they were charged for the week they had been filed in, which the Bank considers a fair reading of where they had spent their time. Ref. CIBT-3029-22AA-6		
21 Jun	Transfer to own account: Mars Station	-1,020,637	12,115,060
	The sundry desk at Mars Station keeps the local day on a board that is painted each morning. Entries made before the board is changed are dated to the day before, and this one was made before the board was changed. Ref. CIBT-3029-EE21-3		
25 Jun	Payroll credit: Interworld Post	+100,934	12,215,994
	Each month you leave the first hour of the wage untouched until the branch opens, and the branch has noted the habit on your file without comment. This month the hour was used, the Teller reports, for a walk. The wage itself was credited on time. Ref. CIBT-3029-C75B-7		
30 Jun	Interest at 4.50% APY	+49,132	12,265,126
	Monthly interest is credited automatically on the 30th, and a teller recites the figure aloud to the empty counter to confirm it. Nobody has objected to the reading. Ref. CIBT-3029-D5BE-2

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
