Date	Description	Amount (s)	Balance (s)
07 Aug	Transfer to own account: Tallinn Sector	-93,193	11,156,271
	Your employer's coffee account, Interworld Post, was transferred to this statement by mistake and returned to the firm, which returned it to you. The sundry balance of 0.981 has been left where it fell, as the firm and the Bank have agreed neither of them needs to move it. Ref. CIBT-3029-B552-8		
12 Aug	Mech Veterans' Time Pension	+60,914	11,217,185
	The statement showed 7 years of service where the record holds 7 years and a half. The half year had been rounded down by a clerk, against the office's own rule, which rounds it up. The rule has been applied and the difference paid in the next instalment. Ref. CIBT-3029-E249-4		
15 Aug	Payroll credit: Interworld Post	+100,934	11,318,119
	Interworld Post's wages for the period came in days and were converted at the posted rate on the day they landed, a day after the employer's own pay day. Its office says the delay was an accident, and the Bank has booked it that way. Ref. CIBT-3029-6906-9		
15 Aug	Temporal Health Plan	-38,977	11,279,142
	A consultation on your last statement was dated the 15th, which was the provider's date rather than the day you attended. The entry has been moved to the correct day; the claim itself is unchanged. Ref. CIBT-3029-62CA-2		
17 Aug	New Time™ exchange	+16,513	11,295,655
	The local office at Tallinn Sector filed the recall notice under the wrong week, and your exchange waited 31 days for the right one. The rate is the one for the day you brought the New Time™ in. Ref. CIBT-3029-C541-7		
23 Aug	Slippage fee (Tallinn Sector, 6 transfers)	-1,800	11,293,855
	You read the slippage line aloud at the counter, with the number of crossings first, as though the crossings were the news and the fee the explanation. The officer has begun to answer in the same order. Ref. CIBT-3029-3B48-1		
31 Aug	Interest at 4.50% APY	+42,185	11,336,040
	A carrier on the Tallinn Sector run delivered the rate notice 28 days after the rate took effect. The notice was posted at Hall E the morning it arrived, and the rate is applied from its effective date, since the carrier's lateness is not the account's to pay for. Ref. CIBT-3029-0CBB-3		

Closing balance, month by month

Highest 18,186,502 s · lowest 11,249,464 s

September 3028 — August 3029

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
