Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
1,256,371,033 s	**+4,397,298 s**	**-24,006,599 s**	**1,236,761,732 s**

Date	Description	Amount (s)	Balance (s)
03 Aug	ATM withdrawal: The Belt	-86,400	1,256,284,633
	You use a staff card from Belt Ore Consolidated at its canteen machine, which draws on your account and is charged to the Bank as a withdrawal. Belt Ore Consolidated asks that its sums be shown as one line a week, so the figure on this statement is the week's total. Ref. CIBT-3003-CF56-2		
06 Aug	Slippage fee (The Belt, 5 transfers)	-1,500	1,256,283,133
	The fee on 5 crossings has been calculated to the second, the second being the smallest unit this Bank puts on a statement, and the only unit it has ever needed to argue about. Ref. CIBT-3003-9EAE-8		
10 Aug	ATM withdrawal: The Belt	-172,800	1,256,110,333
	Your standing withdrawal at The Belt is paid on the 10th of each month into the machine's tray. It has been collected since 3000 in the same two notes. The custodian cleans the tray on the same day, so the notes are never quite new. Ref. CIBT-3003-D1DB-9		
11 Aug	Temporal Health Plan	-15,757	1,256,094,576
	The clinic at The Belt bills in local time, so an appointment on the 11th may appear on the statement a day either side of its true date. The plan reimburses on the day of attendance, which the clinic's receipt gives in both calendars. Ref. CIBT-3003-D0A8-5		
13 Aug	Transfer to own account: The Belt	-23,730,142	1,232,364,434
	Auditors: the sundry of 23,730,142 is recorded at the sum keyed on the day, not the sum the form states. The form was corrected by hand in a different ink, and both figures are on file. The auditors have chosen to believe the one with the stamp on it. Ref. CIBT-3003-D7BC-4		
31 Aug	Interest at 4.20% APY	+4,397,298	1,236,761,732
	You bring the interest slip back to the counter each month with one digit circled in pencil, and the officer has learned which digit it is. Ref. CIBT-3003-A2D9-8		

Closing balance, month by month

September 3002 August 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
