Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
38,503,905 s	**+11,598,809 s**	**-935,353 s**	**49,167,361 s**

Date	Description	Amount (s)	Balance (s)
02 May	Payroll credit: Interworld Post	+1,126,921	39,630,826
	The employer's office has sent a corrected statement of the 31 days it paid for in error. The overpayment has been taken back from this credit, and the employer asks that the error not be repeated, which the Bank has passed on without comment. Ref. CIBT-3012-7433-7		
04 May	ATM withdrawal: Bronx Sector	-259,200	39,371,626
	Interworld Post sent the cash for the Bronx Sector machine under a seal that the officer on duty opened in front of you. The seal was in good order, and the officer has asked that this be recorded, as the sealing is Interworld Post's practice and not ours. Ref. CIBT-3012-0AEC-7		
17 May	Deposit: Hall E	+10,321,082	49,692,708
	Interworld Post paid this deposit in days and asked that it be shown in ours, so the figure on your statement is the one Interworld Post would see on its own books, converted to the second. Ref. CIBT-3012-0B58-1		
30 May	Transfer to joint account	-676,153	49,016,555
	A superseded mandate was on the slip for 8564-9847-8770, which the officer caught on the 30th. The slip was reissued under the current mandate, and the transfer itself stands as sent. Ref. CIBT-3012-CD84-1		
31 May	Interest at 4.70% APY	+150,806	49,167,361
	The Bronx Sector office pays interest in days and bills in seconds, and the two have never once agreed where a month ends. Your credit has been settled on the nearest Earth second, which the local officer calls a truce. Ref. CIBT-3012-0FDD-2		

Closing balance, month by month

February 3012 May 3012

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
