Hamid Gunnarsdottir
Unit 137, Pallas Ring 10

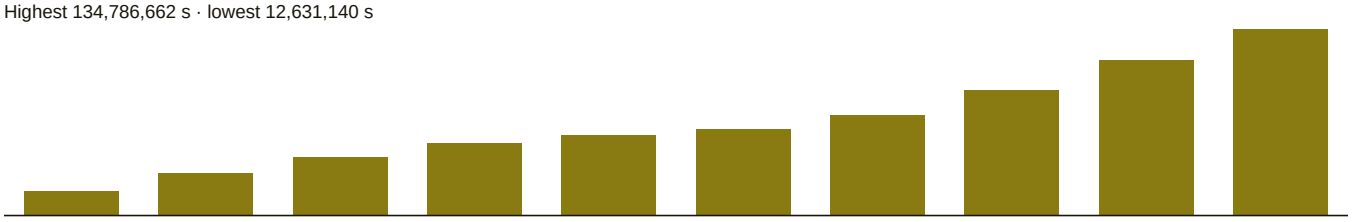

Account 8564-8317-9821
Period 1–30 November 3012
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
111,488,284 s	**+24,149,131 s**	**-850,753 s**	**134,786,662 s**

Date	Description	Amount (s)	Balance (s)
01 Nov	Payroll credit: Interworld Post	+1,126,921	112,615,205
	The Interworld Post wage posted on the 1st was the sum for the week before, because the remittance carried last week's date. The remittance has been corrected, and the difference of 1,126,921 added to this line. Ref. CIBT-3012-C0A3-9		
01 Nov	Transfer to joint account	-676,153	111,939,052
	Interworld Post pays Yara Eskeland's half on the 1st and yours on the 1st after, so that for one week in the month the joint account is in credit to one of you alone. The Bank has no objection, and neither of you has told the other. Ref. CIBT-3012-E3D7-1		
04 Nov	ATM withdrawal: The Belt	-172,800	111,766,252
	The withdrawal of 2 Standard days was held 28 days at The Belt because the receipt paper had been ordered in the wrong colour for the Standard calendar. The receipt has been reprinted, and the cash was in the drawer the whole time. Ref. CIBT-3012-00EE-2		
13 Nov	Deposit: Hall E	+22,585,548	134,351,800
	The Bank does not take fractions of a second on deposit. The 0.985 that came in with your envelope has been kept by the counter, and the officer has noted it on the slip in pencil, as a courtesy. Ref. CIBT-3012-B6E6-1		
25 Nov	Slippage fee (The Belt, 3 transfers)	-1,800	134,350,000
	The statement undercharged the crossings by 1,200 seconds, which the Bank found on running the schedule a second time. The difference has been added to this month's fee, and the figure shown is the one the relay had been carrying on its own books. Ref. CIBT-3012-D589-2		
30 Nov	Interest at 4.70% APY	+436,662	134,786,662
	The clerk at the window remarked that the interest had come in before the depositor had finished queuing, and that she had been queuing herself for some time and was not sure whom to thank. Ref. CIBT-3012-64D2-2		

Closing balance, month by month

February 3012 November 3012

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
