| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 07 Oct | Payroll credit: Interworld Post | +1,126,921 | 271,469,073 |
| | Interworld Post rounds the wage down to the whole cycle and the overtime to the nearest half-hour, so the overtime always comes out a little above the timesheet and the wage a little below the hours. Across the year the two agree, which the firm calls the balance. Ref. CIBT-3015-6FFE-4 | | |
| 07 Oct | ATM withdrawal: Titan | -86,400 | 271,382,673 |
| | Audit note: the machine at Titan dispensed One Standard day and logged one note fewer. The Committee has decided the machine is correct, on the grounds that it was the one that counted. Ref. CIBT-3015-199A-9 | | |
| 11 Oct | Transfer to own account: Titan | -13,952,918 | 257,429,755 |
| | Interworld Post has raised a sundry against your account for the tea served at a meeting you did not attend. The office says the meeting was held in your honour and that the tea was yours to pay for. The Bank has asked for the minutes, and is still waiting. Ref. CIBT-3015-F770-9 | | |
| 12 Oct | Memory Vault: box 25-454, quarter | -259,200 | 257,170,555 |
| | Box 25-454, standing order for the quarterly rental, paid from 8564-8317-9821 on the first day of each quarter. The order was set up in 3014 and has not been varied, which the custodians regard as a memory in its own right. Ref. CIBT-3015-0F72-4 | | |
| 13 Oct | Transfer to joint account | -676,153 | 256,494,402 |
| | One holder keeps the joint statement on the left of the desk and the other on the right, and each reads only the half that belongs to them. The officer has been advised that the figure can only be checked from the middle, where the columns meet. Ref. CIBT-3015-9E9A-9 | | |
| 14 Oct | Slippage fee (Titan, 9 transfers) | -2,700 | 256,491,702 |
| | The Europa station pays for the ice its crossings pass under, a sum the Bank has never found a means of measuring. It has agreed, on the station's advice, to estimate it at 0.30 s and to revisit the figure when the ice does. Ref. CIBT-3015-5600-4 | | |
| 23 Oct | ATM withdrawal: Titan | -86,400 | 256,405,302 |
| | Your withdrawal was posted 29 days late because the concourse door at Titan was kept shut on the 23rd for a survey of the ceiling. The machine was on the wrong side of the door, and the survey took the whole day. Ref. CIBT-3015-5576-6 | | |
| 31 Oct | Interest at 4.70% APY | +1,058,840 | 257,464,142 |
| | A clerk at the Titan branch wanted to be certain the period's rate had been posted correctly, and the interest waited 29 days for the answer. It had been posted correctly, and the interest was not affected by the wait. Ref. CIBT-3015-4E43-5 | | |
