Date	Description	Amount (s)	Balance (s)
03 Dec	ATM withdrawal: Nairobi Sector	-259,200	212,167,352
	The withdrawal of 3 Standard days was held 31 days at Nairobi Sector because the receipt paper had been ordered in the wrong colour for the Standard calendar. The receipt has been reprinted, and the cash was in the drawer the whole time. Ref. CIBT-3016-11E1-8		
10 Dec	Deposit: Hall E	+23,696,474	235,863,826
	You count your envelope before you seal it and write the total on the outside, so the counter can check it against the slip in the time it takes to say the figure. Most holders have never heard of this method. The Bank has adopted it. Ref. CIBT-3016-B5ED-8		
12 Dec	Transfer to joint account	-676,153	235,187,673
	The description on last month's transfer was wrong: it said Yara Eskeland sent the money, where the mandate says both holders did. The line has been reworded; the sum, 676,153, was always right. Ref. CIBT-3016-060B-8		
24 Dec	Payroll credit: Interworld Post	+1,126,921	236,314,594
	Wages from Interworld Post crossed 6 clock boundaries on the way and arrived 29 Standard days late, though the clerk at Nairobi Sector swears they left on time. The Bank has accepted the clerk's word and the arithmetic, which will not agree. Ref. CIBT-3016-4209-9		
31 Dec	Interest at 4.70% APY	+832,003	237,146,597
	Interest is paid on the balance at the start of each second, so the 832,003 that arrived at the counter at 14:03:59 earned nothing until 14:04:00, when it began earning as though it had been waiting all along. The statement shows the arrival and the first interest on the same line. Ref. CIBT-3016-CE38-5

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
