Date	Description	Amount (s)	Balance (s)
12 May	Transfer to own account: Singapore Sector	-23,292,817	211,985,385
	A sundry was posted twice, once in days and once in seconds, because the Singapore Sector desk sent its slip in both forms and the Bank read both. The duplicate has been removed. The desk has been asked to send one form, and has replied that the second is how it knows the first is its own. Ref. CIBT-3017-1F67-1		
14 May	Slippage fee (Singapore Sector, 7 transfers)	-6,300	211,979,085
	Interworld Post pays its slippage in advance on the first Monday of each quarter, a sum of 0.30 s held against the year's crossings. The advance has never been drawn on, and the firm has never asked for it back. Ref. CIBT-3017-51BA-6		
14 May	Transfer to joint account	-676,153	211,302,932
	Funds for the joint account from Singapore Sector arrive a day after the local office sends them, because the local day ends later than ours and the envelope is sealed at the end of it. Nothing is charged for the wait, which both holders have agreed is the right length. Ref. CIBT-3017-7920-3		
15 May	Payroll credit: Interworld Post	+1,126,921	212,429,853
	Your Interworld Post wage is always paid in before you draw down the previous period's, a habit the Bank notes without comment. This period it arrived on the 15th, the earliest yet. Ref. CIBT-3017-ACAB-6		
31 May	Interest at 4.70% APY	+921,506	213,351,359
	Interest of 921,506 arrived at Hall E with the rate written on the lid of the tin it was carried in. The Bank does not usually accept a lid as evidence, but the rate was correct, and the tin has been kept at the counter for the depositor to collect. Ref. CIBT-3017-95E5-5
