| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 03 Oct | Slippage fee (Lagos Sector, 5 transfers) | -4,500 | 213,142,197 |
| | The Interworld Post transfer went through the Lagos Sector relay, where the clock is set by a committee that meets on the first day of the quarter. The transfer waited for the committee, and the committee was not in a hurry. Ref. CIBT-3019-541E-8 | | |
| 03 Oct | Memory Vault: box 25-454, quarter | -259,200 | 212,882,997 |
| | An earlier statement placed box 25-454 at Hall E. It is held at the Lagos Sector sub-level, and the rental is unchanged, though the custodians ask that the address be corrected in your file. Ref. CIBT-3019-8377-2 | | |
| 03 Oct | Deposit: Hall E | +13,642,068 | 226,525,065 |
| | You bring your deposit to Hall E in the same bag each time, folded once at the top. You have never asked for the bag back, so the officer now keeps it on the shelf behind the window with your name on it. Ref. CIBT-3019-9FC8-5 | | |
| 09 Oct | Payroll credit: Interworld Post | +1,126,921 | 227,651,986 |
| | The payroll office gave the wrong remitter reference for this credit, which is why it was held at the counter for 30 days. The reference has been corrected and the credit posted to the right account. Ref. CIBT-3019-409E-1 | | |
| 20 Oct | Transfer to joint account | -676,153 | 226,975,833 |
| | Each month a transfer of 676,153 is made to 8564-9847-8770 from both holders' shares, in equal halves. The halves are recorded separately, so either holder can see exactly what the other has paid. Ref. CIBT-3019-F26D-7 | | |
| 31 Oct | Interest at 4.70% APY | +834,824 | 227,810,657 |
| | The interest for 7 months was posted in a single line on the 31st, which the officers prefer and you did not ask for. The line is longer than most. The Teller reads it aloud once for the figure and once for the months it covers, which takes a little longer than the figure does. Ref. CIBT-3019-C85C-8 | | |

November 3018 October 3019

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
