Date	Description	Amount (s)	Balance (s)
02 Aug	ATM withdrawal: Europa	-172,800	188,812,902
	Standing withdrawals of this size have been made from Europa on your behalf since 3021. The machine knows the sum by now, and the teller has taken to passing the slip across without being asked. Ref. CIBT-3022-0A96-3		
05 Aug	Deposit: Hall E	+17,156,665	205,969,567
	The coins from the jar were counted to the nearest 60 seconds before the slip was written, which leaves 0.958 of a second in the jar. The jar belongs to the window now, and its remainder has been poured into the reserve. Ref. CIBT-3022-AC85-0		
09 Aug	New Time™ exchange	+24,495	205,994,062
	The Teller holds the envelope to the light, reads the recall stamp from the wrong side and then the right one, and says both readings agree. She says it is the only point at this counter on which she has ever been unsure of anything. Ref. CIBT-3022-D87C-5		
12 Aug	ATM withdrawal: Europa	-259,200	205,734,862
	You turn your back to the machine while the cash comes out and count it only once you have turned round again. The custodian regards this as sound practice, and has asked the machine to face the other way, politely. Ref. CIBT-3022-DF7B-8		
14 Aug	Payroll credit: Interworld Post	+1,126,921	206,861,783
	The wage was converted from cycles at the posted rate, and the conversion was rounded to the nearest whole second, in the Bank's favour by 0.960 of a second. The Bank has decided not to claim it, as it is too small to be worth the paperwork. Ref. CIBT-3022-0C79-6		
26 Aug	Transfer to joint account	-676,153	206,185,630
	The firm's accounts office has asked to be recorded as a joint holder for its own purposes. The Bank replied that the account is joint, not corporate, and the office wrote back that it is aware of the difference and would like it noted anyway. Ref. CIBT-3022-2365-7		
31 Aug	Interest at 4.70% APY	+740,193	206,925,823
	A Chrono-Forex position held for 35 days did not stop this balance earning; the interest on it is paid at the posted rate on the day the position closed. Ref. CIBT-3022-33C5-1		

Closing balance, month by month

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
