Period 1–30 September 3022
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
206,925,823 s	**+810,459 s**	**-1,607,262 s**	**206,129,020 s**

Date	Description	Amount (s)	Balance (s)
03 Sep	ATM withdrawal: Singapore Sector	-259,200	206,666,623
	The receipt for 3 Standard days carries the previous day's date. The machine's clock was a day slow that week and has been corrected at the next service. The date on the receipt matches the machine, so the statement follows it. Ref. CIBT-3022-9A9D-6		
06 Sep	Transfer to joint account	-676,153	205,990,470
	The joint account was opened in 3017 under a mandate that has not been varied since. The auditors noted that it is one of very few in the Bank that has never needed a second form, and asked that it be kept in the ordinary drawer. Ref. CIBT-3022-7023-3		
15 Sep	Transfer to own account: Singapore Sector	-668,909	205,321,561
	The rate applied to this sundry was the rate of the previous quarter, which the teller noticed and reported to Rhea Coldstream. The difference of 0.30 seconds has been credited back to you in full, and the old rate has been withdrawn from the table it came from. Ref. CIBT-3022-E296-9		
27 Sep	Slippage fee (Singapore Sector, 5 transfers)	-3,000	205,318,561
	Interworld Post keeps its own clock for payroll, and it runs 0.30 seconds slow against the Head Office's. The slippage on your transfers is the difference between the two, charged once and in full. Ref. CIBT-3022-EFD2-6		
30 Sep	Interest at 4.70% APY	+810,459	206,129,020
	The statement reached Hall E 28 Standard days after the interest it reports, because the interest was posted before the period it belonged to was closed, and the clerks had to agree which came first. They agreed it was the interest. Ref. CIBT-3022-38BA-7

October 3021 September 3022

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
