Unit 310, Pallas Ring 10

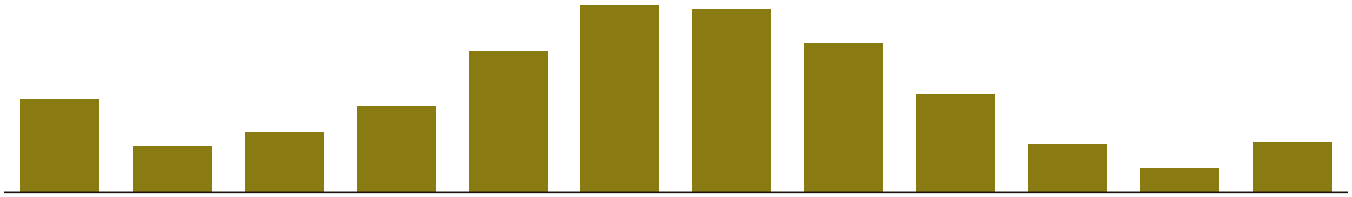

Account 8564-8317-9821
Period 1–31 July 3024
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
117,400,176 s	**+12,552,393 s**	**-1,369,453 s**	**128,583,116 s**

Date	Description	Amount (s)	Balance (s)
06 Jul	Payroll credit: Interworld Post	+1,126,921	118,527,097
	The wage arrived in one lump, as the employer asked, and the Teller has written in the margin: one lump, not two, please note the lump. Ref. CIBT-3024-8D49-4		
07 Jul	Slippage fee (Svalbard, 7 transfers)	-2,100	118,524,997
	Your 7 crossings each waited 29 Standard days at the Svalbard relay for its local clock to agree that the day had begun. You were charged for the crossing and not the wait, which the Bank regards as the more reasonable arrangement. Ref. CIBT-3024-392E-8		
18 Jul	Transfer to joint account	-676,153	117,848,844
	The Teller counts the joint balance twice, once aloud to Yara Eskeland and once under her breath, and the two counts have never differed by more than the odd second. She describes this as the account being sociable. Ref. CIBT-3024-ECBA-8		
22 Jul	ATM withdrawal: Svalbard	-259,200	117,589,644
	Interworld Post has asked that its staff's cash-time be drawn in a single sum at the start of the month. You are the only member of staff who has asked the machine to split it, and it has agreed, on your account, twice. Ref. CIBT-3024-6C31-2		
28 Jul	Deposit: Hall E	+10,965,655	128,555,299
	Each deposit you make at the Hall E window arrives in a paper wrapper folded at both ends, the way the window taught you in 3019. You have never asked for the wrapper back, and the officers now unfold it without being asked. Ref. CIBT-3024-2127-5		
30 Jul	ATM withdrawal: Svalbard	-172,800	128,382,499
	Waiting time at Svalbard depends on the customer. The machine has been taught to wait while the receipt is read, and it waits longer for slow readers, which the branch regards as the machine's most civil feature. Ref. CIBT-3024-B5B2-6		
30 Jul	Memory Vault: box 25-454, quarter	-259,200	128,123,299
	You take the rent for box 25-454 down to the sub-level yourself each quarter, set it on the shelf beside the box, and go back up without opening anything. The Vault has stopped reading the notice on the stairs to you, since it has never needed correcting. Ref. CIBT-3024-766D-2		
31 Jul	Interest at 4.70% APY	+459,817	128,583,116
	The monthly service charge on this balance has been waived. Interest is credited to the second, and the Bank sees no cause to take a fee from time that was earned while you were asleep. Ref. CIBT-3024-C07F-1		

Closing balance, month by month

August 3023 July 3024

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
