Period 1–31 August 3028
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
93,143,557 s	**+1,491,733 s**	**-11,347,717 s**	**83,287,573 s**

Date	Description	Amount (s)	Balance (s)
06 Aug	Payroll credit: Interworld Post	+1,126,921	94,270,478
	The 0.30 s charge on the transfer from Interworld Post has been waived, since its remitter at Singapore Sector keeps its own holidays and the Bank's charge is dropped on the days it keeps them. Ref. CIBT-3028-A6A0-7		
09 Aug	Transfer to own account: Singapore Sector	-10,406,064	83,864,414
	A charge of 0.30 seconds for a stamp on a document that was never sent has been removed. The document is filed with your statement, unstamped, which the officer says is how it was meant to be kept. Ref. CIBT-3028-7338-8		
19 Aug	Slippage fee (Singapore Sector, 7 transfers)	-6,300	83,858,114
	Each month you ring the relay to confirm the crossing, then ring the Bank to confirm the relay, then sit with the statement and check both calls against the fee. The fee has never been wrong and the calls have never been short. Ref. CIBT-3028-03FB-0		
21 Aug	ATM withdrawal: Singapore Sector	-259,200	83,598,914
	Interworld Post asked the office at Singapore Sector to keep the machine stocked on the 21st, and it has been stocked on that day ever since. Your withdrawals on that date are the only ones the Bank has been asked to schedule around, and it has done so without comment. Ref. CIBT-3028-E7CF-6		
21 Aug	Transfer to joint account	-676,153	82,922,761
	Each holder's half of the monthly charge is rounded down and the other half down, so that the sum is the same whichever of you settles it. Ref. CIBT-3028-D45C-5		
31 Aug	Interest at 4.70% APY	+364,812	83,287,573
	Audit note: interest on this account was accrued for 28 days at 4.70% and posted once, not every second, because the posting clock at Hall E runs in minutes. The Committee has asked for the seconds to be restored in the next audit, with the interest on them. Ref. CIBT-3028-F69E-5		

Closing balance, month by month

September 3027 August 3028

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
