Opening balance	Credits	Debits	Closing balance
1,044,481,303 s	+50,389,443 s	-302,169 s	1,094,568,577 s

Date	Description	Amount (s)	Balance (s)
05 Jan	Payroll credit: Titan Methane Works	+7,131,381	1,051,612,684
	Wages from the Singapore Sector mining office are converted at a rate the office sets itself, once a year, on the day of its founding. The Bank does not object to the day. It asks only that the rate be posted before it arrives. Ref. CIBT-2963-EC37-4		
11 Jan	Temporal Health Plan	-42,969	1,051,569,715
	The premium for the last quarter was printed with its decimal point in the wrong place by the plan's printing office, which has apologised in writing and, in one place, in capitals. The sum you paid was correct, and the statement now shows it correctly. Ref. CIBT-2963-8581-6		
21 Jan	Deposit: Hall E	+39,428,298	1,090,998,013
	The Lagrange-4 window sits on the slow side of a rotating ring, so an envelope left on the counter in the morning is a little heavier by evening, with the ring's dust on the flap. The counter brushes it off before the count, and the dust is not charged. Ref. CIBT-2963-B915-7		
30 Jan	Memory Vault: box 72-602, quarter	-259,200	1,090,738,813
	The keeper of the sub-level has asked that box 72-602 be moved nearer the stairs, so the holder need not walk so far to be disappointed. The request has been filed with the box's other requests, of which there are none. Ref. CIBT-2963-454F-9		
31 Jan	Interest at 4.40% APY	+3,829,764	1,094,568,577
	A Chrono-Forex position held for 3 days did not stop this balance earning; the interest on it is paid at the posted rate on the day the position closed. Ref. CIBT-2963-2A6A-6		

Closing balance, month by month

February 2962 January 2963

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
