Opening balance	Credits	Debits	Closing balance
699,396,526 s	**+9,695,834 s**	**-73,813,672 s**	**635,278,688 s**

Date	Description	Amount (s)	Balance (s)
07 Jan	Slippage fee (Tallinn Sector, 9 transfers)	-8,100	699,388,426
	The statement counted the crossing from Tallinn Sector as a crossing to it. Both stations are printed on the same board, so the mistake is an easy one to make; the direction has been corrected and the fee is unchanged. Ref. CIBT-2976-0EF6-7		
14 Jan	Payroll credit: Titan Methane Works	+7,131,381	706,519,807
	The counter has the 42 notes ready on the Friday before pay day, in the order you asked for. You collected them on the Monday instead, after the wages had been paid, and the Teller has put them back in order without remarking on it. Ref. CIBT-2976-0431-6		
23 Jan	Memory Vault: box 72-602, quarter	-259,200	706,260,607
	The gauge on box 72-602 was read late, since the sub-level door takes 30 days to open on a day of high humidity, and the humidity was high. Ref. CIBT-2976-332B-4		
24 Jan	Temporal Health Plan	-34,454	706,226,153
	The 5 sessions on this statement were booked for the 24th and billed for the 24th. The 29 days between are the time the provider took to decide that its own calendar was right, and the plan has accepted the earlier date as the date of care. Ref. CIBT-2976-4197-9		
27 Jan	Transfer to own account: Tallinn Sector	-73,511,918	632,714,235
	You ask for the sundry ledger on the last working day of the quarter and read it at the counter with the same care you give to a letter. The officers have taken this as a reasonable use of a counter. Ref. CIBT-2976-445F-3		
31 Jan	Interest at 4.40% APY	+2,564,453	635,278,688
	The charge for an interest certificate, requested by your employer, has been waived. The certificate states the figure as it appears on this statement, and the Bank sees no reason why a figure should cost money to repeat. Ref. CIBT-2976-FDA3-0

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
