Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
587,736,931 s	**+9,286,416 s**	**-3,905,515 s**	**593,117,832 s**

Date	Description	Amount (s)	Balance (s)
05 Jul	Memory Vault: box 72-602, quarter	-259,200	587,477,731
	The box was taken on the advice of Titan Methane Works's occupational clinic, which found that its staff were filing memories faster than they could use them. The box is one of the company's remedies. Ref. CIBT-2980-70F6-8		
20 Jul	Temporal Health Plan	-22,197	587,455,534
	A copy of your health file is kept at the branch on Lagos Sector and sent to you at the posted rate every 28 days, so the two can be compared. The officer there reads each copy aloud on arrival, which the plan has been asked to note. Ref. CIBT-2980-82C4-6		
22 Jul	Transfer to own account: Lagos Sector	-3,624,118	583,831,416
	On each of the last 5 statements you have asked for the sundry line to be described in full. The Bank has described it in full each time, and each time you have written back asking for the description to be shorter. Ref. CIBT-2980-DEA2-3		
30 Jul	Payroll credit: Titan Methane Works	+7,131,381	590,962,797
	The payroll file arrived with its header in the wrong year, which the system read as a request to wait. It sat in the envelope marked for the day's second post until it was re-keyed by hand, and the credit was posted 30 days later, with the wait recorded against the employer and not against you. Ref. CIBT-2980-3A18-2		
31 Jul	Interest at 4.40% APY	+2,155,035	593,117,832
	Titan Methane Works keeps a small deposit in your name, and the interest on it is credited here each month, so that the firm can tell its auditors the figure is yours. The auditors have not asked, and the firm has said it would rather they did not. Ref. CIBT-2980-6CC9-6

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
