Unit 223, Pallas Ring 10

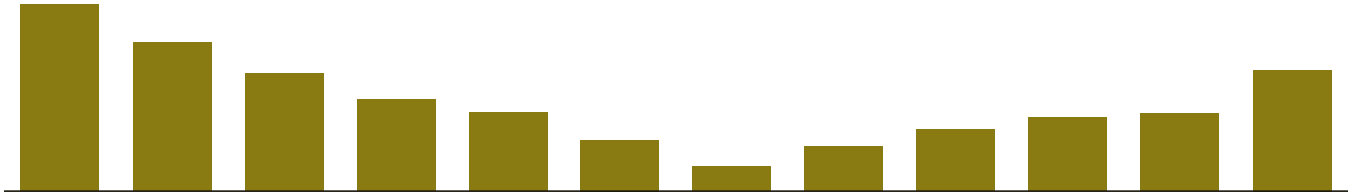

Account 8564-8529-5708
Period 1–31 August 2980
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
593,117,832 s	**+53,689,367 s**	**-373,032 s**	**646,434,167 s**

Date	Description	Amount (s)	Balance (s)
01 Aug	Slippage fee (The Belt, 3 transfers)	-1,800	593,116,032
	This line was shown as a waiver for 3 crossings. The waiver belonged to the crossings made on the 1st, which were made from another account. The fee is now shown against the account that made them. Ref. CIBT-2980-81BC-9		
03 Aug	ATM withdrawal: The Belt	-259,200	592,856,832
	The Teller asks whether 3 Standard days was for the week or for the trip. Told the trip, she writes the word beside the figure and nothing else. Ref. CIBT-2980-91BF-3		
07 Aug	Temporal Health Plan	-25,632	592,831,200
	Premiums paid through Titan Methane Works go out on the day its payroll office does, three working days before yours. The plan's month therefore always begins before the premium falls due. Ref. CIBT-2980-A1BF-1		
23 Aug	Deposit: Hall E	+51,514,602	644,345,802
	You write the amount on the envelope in figures and then again in words, and the words always run one letter longer than the figures would need. The officer reads the words. The figures have never once been wrong, and the Bank would not presume to tell you how to spell. Ref. CIBT-2980-63C2-3		
25 Aug	ATM withdrawal: The Belt	-86,400	644,259,402
	On The Belt the machine pays in whatever coin the local office has in its tray that week. The coin is recorded on your receipt by its weight and its owner, and the Bank has accepted both as sufficient. Ref. CIBT-2980-D126-2		
31 Aug	Interest at 4.40% APY	+2,174,765	646,434,167
	The first deposit on this account came in a card wallet with a photograph still in the flap, and the Bank still has the container on file. It is the only part of that deposit that was never credited. Ref. CIBT-2980-42A4-0

September 2979 August 2980

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
