Date	Description	Amount (s)	Balance (s)
01 Aug	Transfer to own account: London Sector	-41,347,640	1,008,440,995
	A sundry paid on the 1st was described on the slip as a repayment and on the ledger as a gift. The depositor asked for it to be called a repayment, and the ledger has been corrected to match the slip, which is the more accurate of the two. Ref. CIBT-2985-6E4E-0		
09 Aug	Temporal Health Plan	-17,232	1,008,423,763
	A reimbursement landed on the wrong dentist's books, because a physiotherapist on London Sector shares a surname with him. The two have been separated, the dentist has been paid nothing, and he has not yet complained, which the plan takes as a sign he has not noticed. Ref. CIBT-2985-CEF2-2		
17 Aug	Payroll credit: Titan Methane Works	+7,131,381	1,015,555,144
	The transfer charge on this pay has been waived at the request of the teller, who found the remitter's reference written on the back of a ticket and felt the Bank should not profit from anyone's handwriting. Ref. CIBT-2985-4A37-9		
19 Aug	Slippage fee (London Sector, 8 transfers)	-4,800	1,015,550,344
	Titan Methane Works's payroll office worked out your share of the slippage to the second and sent its workings to the Bank. The Bank compared them with its own and found the firm one second more generous. It has accepted the firm's figure, since it is the first generous one the Bank has been sent this year. Ref. CIBT-2985-4FFC-5		
31 Aug	Interest at 4.40% APY	+3,849,224	1,019,399,568
	Titan Methane Works has asked that interest on its payroll float be credited to your account rather than its own, and the request has been carried out. The float is small, and the difference this period was 3,849,224. Ref. CIBT-2985-8E53-5
