Period 1–30 June 2999
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
629,581,616 s	**+26,427,850 s**	**-302,530 s**	**655,706,936 s**

Date	Description	Amount (s)	Balance (s)
01 Jun	Temporal Health Plan	-43,030	629,538,586
	The reimbursement for 10 sessions was keyed with the date of the first session in place of the last, so the course appeared to end before it began. The dates have been swapped back, and the course now runs in the order you attended it. Ref. CIBT-2999-6562-2		
08 Jun	Deposit: Hall E	+24,119,385	653,657,971
	You ask the Teller at Hall E for the name of the officer who will count your deposit, and you never ask for the same name twice. The officers have agreed among themselves to take turns, and keep a note of whose turn it is. Ref. CIBT-2999-EB61-9		
21 Jun	Slippage fee (New Orleans Sector, 1 transfers)	-300	653,657,671
	Slippage on 1 crossings between Hall E and the New Orleans Sector relay. The relay keeps a clock that runs a little apart from the Head Office's, and the difference is recorded in full on each transfer, so that you can see where your seconds went. Ref. CIBT-2999-6DF7-8		
23 Jun	ATM withdrawal: New Orleans Sector	-259,200	653,398,471
	The cash at New Orleans Sector came in on the supply boat, and could not be paid until the boat had docked and its cases had been counted. It was paid 28 days after the request, which the boat's master describes as the quickest arrival of the season. Ref. CIBT-2999-3BB5-7		
30 Jun	Interest at 4.40% APY	+2,308,465	655,706,936
	The interest was paid on New Orleans Sector in days and converted at the posted rate of the day the station closed its books. That day falls on no date the Bank keeps, so the rate of the nearest one was used. Ref. CIBT-2999-F2B8-3		

Closing balance, month by month

July 2998 June 2999

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
