Date	Description	Amount (s)	Balance (s)
01 Dec	Payroll credit: Titan Methane Works	+7,131,381	433,263,949
	Titan Methane Works pays on the last working day of the month, but that day this month was one the Bank keeps shut for its own accounts. The wages were posted on the first working day after, and the interest for the gap is included in the figure. Ref. CIBT-3000-94AF-9		
08 Dec	Temporal Health Plan	-41,462	433,222,487
	The 7 sessions on this statement were booked for the 8th and billed for the 8th. The 28 days between are the time the provider took to decide that its own calendar was right, and the plan has accepted the earlier date as the date of care. Ref. CIBT-3000-956C-6		
10 Dec	Deposit: Hall E	+42,845,906	476,068,393
	No fee is charged on this deposit because it did not leave the building: the sum was moved from the Hall E vault to your account, a distance of four metres, and the officer has entered the move as a courtesy and a relocation. Ref. CIBT-3000-A6F5-7		
31 Dec	Interest at 4.40% APY	+1,562,486	477,630,879
	Titan Methane Works has asked that the interest on its staff savings be credited on the first day of each month, so its treasurer can report it before the Bank does. The Bank has agreed, and the treasurer has been asked not to look before the first. Ref. CIBT-3000-2302-4

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
