Opening balance	Credits	Debits	Closing balance
468,187,790 s	**+8,848,069 s**	**-2,163,265 s**	**474,872,594 s**

Date	Description	Amount (s)	Balance (s)
05 Jul	ATM withdrawal: Ganymede	-172,800	468,014,990
	The 2 Standard days you drew at Ganymede is an advance against Titan Methane Works's pay, approved in writing by its payroll office and to be recovered from the next credit. Ref. CIBT-3002-1AF9-8		
09 Jul	Temporal Health Plan	-37,304	467,977,686
	You have checked every premium against the plan's own schedule, in pencil, in the margin of the statement you received on the 9th. The plan's officer has asked us to thank you for the check. The margin has been kept, and the figures in it are correct. Ref. CIBT-3002-C2C1-0		
20 Jul	Payroll credit: Titan Methane Works	+7,131,381	475,109,067
	The Teller has checked the wages against your contract, found them correct, and added in pencil, unasked, that the contract is better written than the work it describes. She has asked us to pass this on to Titan Methane Works and has not said how she expects it to be received. Ref. CIBT-3002-BFA1-7		
28 Jul	Memory Vault: box 72-602, quarter	-259,200	474,849,867
	Rent is charged for each quarter in which the box was opened at all, and an opening of a few minutes is rounded up to the whole quarter. Nobody has asked the custodians whether that is fair, and they have not volunteered an opinion. Ref. CIBT-3002-A4C7-6		
28 Jul	Transfer to own account: Ganymede	-1,690,361	473,159,506
	A sundry raised on the 28th described the document as filed at Hall E, when it was filed at Ganymede. The description has been amended. The charge is the same, and it was the only thing on the form that was wrong. Ref. CIBT-3002-EAA1-5		
30 Jul	Slippage fee (Ganymede, 6 transfers)	-3,600	473,155,906
	Your employer has asked that its slippage be shown as one figure, and it has been. The figure is 0.30 s, the sum of 6 crossings each with its own fee, none of which the employer has yet seen. Ref. CIBT-3002-122F-6		
31 Jul	Interest at 4.40% APY	+1,716,688	474,872,594
	You have asked for the balance to be shown to 25 seconds each month. The Bank does so, and you check the last figure by hand against the rate, which you keep on a card kept in a coat pocket. Ref. CIBT-3002-34DE-7		

Closing balance, month by month

August 3001 July 3002

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
