Date	Description	Amount (s)	Balance (s)
04 Jan	Temporal Health Plan	-32,148	1,343,917,689
	The invoice showed 10 sessions in its description and 50 in its total, and the two did not agree. The total was right; the description had been copied from an earlier booking, and it has been brought into line with the sessions you actually had. Ref. CIBT-3013-2A38-1		
10 Jan	Memory Vault: box 72-602, quarter	-259,200	1,343,658,489
	Box 72-602 was transferred from Oakland Sector to Hall E with a letter from the custodian there, who asks that it be read before the box is opened. The letter has been read, and the box has not been opened. The custodian's last sentence reads, "It remembers you." Ref. CIBT-3013-F0FD-5		
12 Jan	Transfer to own account: Oakland Sector	-33,311,249	1,310,347,240
	Sundry for converting 8564-8529-5708 to the local day at Oakland Sector. That branch keeps its day as its working day, so the account was given 21 of them and charged for none, which is how the branch regards its own calendar. Ref. CIBT-3013-F273-5		
16 Jan	ATM withdrawal: Oakland Sector	-259,200	1,310,088,040
	The line dated the 16th recorded an earlier withdrawal's sum in place of this one. The earlier one was checked against its receipt and is correct; 3 Standard days is the figure this receipt gives, and the line now says so plainly. Ref. CIBT-3013-7257-2		
16 Jan	Slippage fee (Oakland Sector, 5 transfers)	-3,000	1,310,085,040
	A hum from the relay at Oakland Sector is, the Teller says, the sound of it working hard, and the fee goes up in the week it does so. The Bank has not confirmed the hum but has not disputed the fee. Ref. CIBT-3013-D3A8-9		
28 Jan	Payroll credit: Titan Methane Works	+7,131,381	1,317,216,421
	Each year on the day your wage is first credited you send the Bank a card with one word on it, received, and the card goes into the file with the others. The file is now thick enough that the Teller dates it by the cards. Ref. CIBT-3013-0123-7		
31 Jan	Interest at 4.40% APY	+4,927,816	1,322,144,237
	The statement reached you 29 days late, because the interest had been credited before the period it belonged to had been opened. The Bank has put the dates in order, and the figures shown are the ones it carried. The statement was held in the gap between the two bells, which is never long enough while this was done. Ref. CIBT-3013-8796-1
