Opening balance	Credits	Debits	Closing balance
50,432,748 s	**+583,508 s**	**-962,924 s**	**50,053,332 s**

Date	Description	Amount (s)	Balance (s)
12 Jul	ATM withdrawal: Ganymede	-86,400	50,346,348
	You always withdraw an amount ending in a round number of seconds. The officers have put this down to preference, though the file is not clear on whether it was yours to begin with. Ref. CIBT-2938-7FCA-1		
16 Jul	Payroll credit: the Ceres Ring Assay Office	+381,778	50,728,126
	The wage from the Ceres Ring Assay Office arrives on the 16th of each month and has done since 2937, in the same sum to the second. An officer at Hall E once suggested the employer post it a day early, and the employer declined on the grounds that it would then be early. Ref. CIBT-2938-A5B0-6		
16 Jul	ATM withdrawal: Ganymede	-259,200	50,468,926
	At Ganymede the machine's day begins when the station's ring has turned, which is some way after ours. The withdrawal made on the 16th therefore posted on the day before it was made, and the Bank has allowed the difference. Ref. CIBT-2938-5823-4		
21 Jul	Slippage fee (Ganymede, 8 transfers)	-4,800	50,464,126
	You have each transfer's slippage printed on its own line rather than totalled, and the officer has complied since 2935. The total is also printed at the foot, for anyone who needs it. Ref. CIBT-2938-2BA7-0		
21 Jul	Transfer to own account: Ganymede	-612,524	49,851,602
	An earlier sundry line described this as an adjustment. It was a refund of a fee charged in error, and is shown here under its proper name. The net amount is unchanged. Ref. CIBT-2938-5CC7-6		
31 Jul	Interest at 4.80% APY	+201,730	50,053,332
	Your eye goes to the interest line before the balance, and has done so on every statement since 2935. The branch has taken this to mean that the balance is not in doubt. Ref. CIBT-2938-0AA4-4		

Closing balance, month by month

August 2937 July 2938

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
