Period 1–31 January 2945
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
31,793,099 s	**+508,950 s**	**-969,157 s**	**31,332,892 s**

Date	Description	Amount (s)	Balance (s)
07 Jan	Transfer to own account: Kepler Ring	-795,757	30,997,342
	A standing sundry of 0.30 s for stationery drawn from 8564-8564-3261 on the 7th of each quarter. You have paid it in advance for 10 years and have never once been asked to use the stationery, which the Bank considers a fair arrangement for both parties. Ref. CIBT-2945-88CD-9		
11 Jan	Slippage fee (Kepler Ring, 1 transfers)	-600	30,996,742
	Slippage on the money Kaito Blackwood-Achterberg sends you is nil, since it is sent on the Bank's own relay and the seconds stay where they are put. The officer notes this for completeness and has not been asked to explain it. Ref. CIBT-2945-1DF0-7		
27 Jan	Payroll credit: the Ceres Ring Assay Office	+381,778	31,378,520
	The employer's wages for 31 standard days arrive at the start of the month, because that is when its office begins its own. The employer apologises for the early hour. The Bank has no quarrel with the hour, only with the day it began on. Ref. CIBT-2945-3D78-2		
29 Jan	ATM withdrawal: Kepler Ring	-172,800	31,205,720
	You take exactly 2 Standard days from the machine at Kepler Ring on the 29th of each month, and ask that the notes be folded once rather than twice. The custodian has begun to fold them in advance and leave them on the tray. Ref. CIBT-2945-7BE9-9		
31 Jan	Interest at 4.80% APY	+127,172	31,332,892
	Last month's interest was 55 seconds short, because the rate table had been read one row too low. The row has been corrected, the table reprinted, and the missing seconds credited here in full. Ref. CIBT-2945-E2B8-3		

Closing balance, month by month

February 2944 January 2945

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
