Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
47,813,858 s	**+573,033 s**	**-870,765 s**	**47,516,126 s**

Date	Description	Amount (s)	Balance (s)
07 Aug	Payroll credit: the Ceres Ring Assay Office	+381,778	48,195,636
	The wage reached the account before the crew had come up, the firm having paid its crews on the surface as a courtesy to the day. The crew came back down that afternoon and asked whether the sum could be left where it was, and the Bank said that it could. Ref. CIBT-2953-2C96-9		
16 Aug	Slippage fee (Lagos Sector, 6 transfers)	-3,600	48,192,036
	Your 6 transfers waited 29 Standard days at the Lagos Sector relay, which had decided to hold all crossings until its clock had been checked against a second clock. The second clock was found in a drawer, the transfers were released, and the fee is charged for the crossings and not for the drawer. Ref. CIBT-2953-ABF7-7		
17 Aug	Transfer to own account: Lagos Sector	-694,365	47,497,671
	A sundry raised on the last day of the quarter is rounded to the quarter's figure, not the day's. The difference of 0.956 has been held for the first sundry of the next quarter, which has not yet arrived. Ref. CIBT-2953-9993-3		
23 Aug	ATM withdrawal: Lagos Sector	-172,800	47,324,871
	The cash at Lagos Sector came in on the supply boat, and could not be paid until the boat had docked and its cases had been counted. It was paid 28 days after the request, which the boat's master describes as the quickest arrival of the season. Ref. CIBT-2953-E69F-1		
31 Aug	Interest at 4.80% APY	+191,255	47,516,126
	The 31st interest was printed twice in the margin and once in the body. The body figure is correct; the margin copy was taken from your own note on the slip, and has been crossed out with a single line. Ref. CIBT-2953-1EB4-7		

Closing balance, month by month

September 2952 August 2953

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
