Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
42,343,768 s	**+1,479,238 s**	**-432,000 s**	**43,391,006 s**

Date	Description	Amount (s)	Balance (s)
05 Jan	ATM withdrawal: Lagos Sector	-259,200	42,084,568
	Your request at Lagos Sector was held 29 Standard days because the pilot had gone ashore with the only key to the gate. The machine has since been told the cash was yours, and it has paid it out. Ref. CIBT-2954-5828-7		
14 Jan	Deposit: Hall E	+1,309,863	43,394,431
	The deposit went to 8564-8564-3261 in the first instance, because its slip differed from your number by one digit in the eighth place. The slip has been checked against your card, the credit moved, and the holder of the other account has been told. Ref. CIBT-2954-2FFD-0		
30 Jan	ATM withdrawal: Lagos Sector	-172,800	43,221,631
	The receipt from Lagos Sector was filed with the others for the same sum, and the Bank has been asked whether they form a set. They do, and they have been bound in order of printing, since no one else was ever going to do it. Ref. CIBT-2954-7C0E-1		
31 Jan	Interest at 4.80% APY	+169,375	43,391,006
	The auditors took this line at random from the quarter's run and rebuilt it from the posted rate, the balance and the days in the period. They reached the same figure, and have asked that it be filed in a different coloured ink, so that it stands out from the rest of the run. Ref. CIBT-2954-F3F2-3

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
