Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
65,108,629 s	**+2,267,504 s**	**-275,716 s**	**67,100,417 s**

Date	Description	Amount (s)	Balance (s)
14 Mar	Deposit: Hall E	+1,625,292	66,733,921
	The Ceres Ring Assay Office makes its share of the deposit in the same week as its wages, but it always comes last, folded inside the wrong envelope on purpose, as the clerk puts it, so that someone at the counter has something to do. Ref. CIBT-2964-B2C4-8		
15 Mar	Lyric Licensing Desk	-97,516	66,636,405
	The fee for this licence was held for 30 days while the Desk looked for the verse on its own list, where it had been filed under the holder's name rather than the verse's. The holder had paid throughout, and the fee is released in full. Ref. CIBT-2964-2585-5		
22 Mar	ATM withdrawal: Titan	-172,800	66,463,605
	The withdrawal on the 22nd has been drawn at Titan every month for 2 years. Each month the cash comes out in the same order of notes, and the machine has learnt to expect it. Ref. CIBT-2964-1097-2		
25 Mar	Slippage fee (Titan, 6 transfers)	-5,400	66,458,205
	The Titan relay was run by one operator for 30 days while the usual one took leave. The operator sent every transfer on the day it was received, and asks us to say that this was not a complaint. Ref. CIBT-2964-E422-4		
28 Mar	Payroll credit: the Ceres Ring Assay Office	+381,778	66,839,983
	The fee on a credit from the Ceres Ring Assay Office that came in outside the posted hours has been waived. The officer at the counter said the sum had arrived by a side channel, which the Bank does not recognise, and the fee has been waived all the same. Ref. CIBT-2964-F647-4		
31 Mar	Interest at 4.80% APY	+260,434	67,100,417
	A balance of this size earns 0.946 of a second more than the statement shows. The rounding is in your favour, and the Bank has taken the trouble to say so. Ref. CIBT-2964-D512-3		

Closing balance, month by month

Highest 67,100,417 s · lowest 57,019,875 s

April 2963 March 2964

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
