Wren Lindqvist
Unit 277, Pallas Ring 10

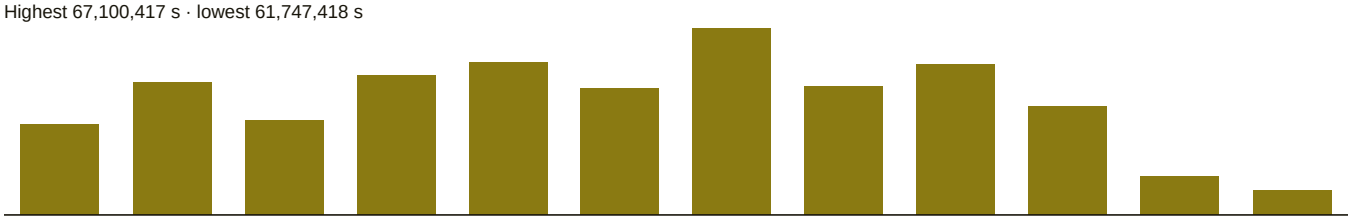

Account 8564-8564-3261
Period 1–31 August 2964
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
62,225,426 s	**+630,679 s**	**-1,108,687 s**	**61,747,418 s**

Date	Description	Amount (s)	Balance (s)
04 Aug	Transfer to own account: New Orleans Sector	-758,887	61,466,539
	The sundry for the 4th was a gift. The Bank records it under sundries because it has no heading for gifts, and the giver has asked not to be named, which the Bank has honoured in the only way open to it. Ref. CIBT-2964-AE63-2		
07 Aug	Slippage fee (New Orleans Sector, 7 transfers)	-4,200	61,462,339
	Where a crossing falls exactly on the half second, the Bank takes the earlier of the two seconds. That is the rule, and it is also what the relay does, so the two have never had cause to quarrel. Ref. CIBT-2964-7432-1		
18 Aug	Payroll credit: the Ceres Ring Assay Office	+381,778	61,844,117
	The Ceres Ring Assay Office remittance was rounded to the whole day by the employer before it left and by the Bank after it arrived, so the figure on this line has been rounded twice and is correct each time. Ref. CIBT-2964-A101-4		
21 Aug	ATM withdrawal: New Orleans Sector	-86,400	61,757,717
	You ask the machine for the balance before the cash and again after, as if the sum might have moved between the two. In 9 years the machine has never once shown a different figure, and it has begun to show both at once. Ref. CIBT-2964-CE5B-8		
27 Aug	ATM withdrawal: New Orleans Sector	-259,200	61,498,517
	The withdrawal was put off until the machine had finished its quarterly self-check, which took 28 days and was started, on this occasion, the day before you asked. The cash was paid the moment the check passed. Ref. CIBT-2964-4518-3		
31 Aug	Interest at 4.80% APY	+248,901	61,747,418
	The rate on the front of this statement was printed correctly and the figure beneath it was not. The figure has been recalculated from the rate; the amount credited is the one you were always owed. Ref. CIBT-2964-96DE-1		

Closing balance, month by month

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
