Period 1–31 July 2974
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
24,782,814 s	**+1,144,993 s**	**-176,400 s**	**25,751,407 s**

Date	Description	Amount (s)	Balance (s)
02 Jul	Deposit: Hall E	+664,084	25,446,898
	The Ceres Ring Assay Office sends its staff's deposits through the same window on the first working day, and its clerk has asked that each one be counted with the depositor present. The depositor agreed, and counted a single note aloud, which the officer says was enough. Ref. CIBT-2974-80B5-7		
14 Jul	ATM withdrawal: Nairobi Sector	-172,800	25,274,098
	For the auditors: the withdrawal on the 14th was keyed twice, once at Nairobi Sector and once at the Hall E counter. The second entry has been struck, and the first agrees with the receipt. Ref. CIBT-2974-5CDC-9		
22 Jul	Slippage fee (Nairobi Sector, 6 transfers)	-3,600	25,270,498
	The statement counted the crossing from Nairobi Sector as a crossing to it. Both stations are printed on the same board, so the mistake is an easy one to make; the direction has been corrected and the fee is unchanged. Ref. CIBT-2974-2FE7-8		
24 Jul	Payroll credit: the Ceres Ring Assay Office	+381,778	25,652,276
	The Ceres Ring Assay Office credit on this line is the last payment under a standing order set up in 2972. The order ends with the period, and the firm has asked to be told the day it does, so that it may not be surprised. Ref. CIBT-2974-2D0E-9		
31 Jul	Interest at 4.80% APY	+99,131	25,751,407
	Your account accrued interest on Nairobi Sector, a branch whose posted rate is quoted in the local day and converted at the Head Office rate on the day of posting. The conversion has been checked and is correct to the second. Ref. CIBT-2974-0C6C-0

August 2973 July 2974

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
