Date	Description	Amount (s)	Balance (s)
08 Jun	ATM withdrawal: Montréal Sector	-86,400	56,040,851
	You asked the machine at Montréal Sector for 86,400 and it paid out One Standard day. The officer on the concourse has checked the difference twice and found it in your favour, and it is entered as a courtesy, with no explanation, which is how the Bank records its own generosity. Ref. CIBT-2991-EB90-3		
20 Jun	Transfer to own account: Montréal Sector	-238,790	55,802,061
	The second signature on the mandate was taken in pencil, which is not a signature, and had to be made again in ink. The officer, Nils Eskeland, did not bill the redoing; the Bank does not charge a holder for correcting its form. Ref. CIBT-2991-02A6-0		
27 Jun	Payroll credit: the Ceres Ring Assay Office	+381,778	56,183,839
	The Teller counted the credit twice, once in days and once in the Ceres Ring Assay Office's own figures, and reports that the two agree. That is more than can be said for most employers. Ref. CIBT-2991-3AC5-9		
30 Jun	Interest at 4.80% APY	+224,509	56,408,348
	The interest on 8564-8564-3261 was checked by the officer who had not made the entry. It matched the Bank's own figure, the depositor's, and the Teller's, which she said she had not expected to agree with either. Ref. CIBT-2991-7FC0-3

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
