Date	Description	Amount (s)	Balance (s)
16 Aug	Slippage fee (L4 Habitat, 5 transfers)	-3,000	66,255,542
	The Ceres Ring Assay Office cancels and resends its remittances whenever a crossing looks crowded. The Bank has charged for each resend and for each cancellation, and the Ceres Ring Assay Office has asked whether it may be charged for the look of the crowd. Ref. CIBT-2995-1C14-4		
17 Aug	Transfer to own account: L4 Habitat	-3,545,907	62,709,635
	The Ceres Ring Assay Office's share of the transfer fee, 0.30 seconds, was paid in error and has been returned. Its office asks that the error be noted so that it is not repeated next quarter, and it has been noted. Ref. CIBT-2995-8534-9		
30 Aug	Payroll credit: the Ceres Ring Assay Office	+381,778	63,091,413
	The Ceres Ring Assay Office sent a covering note with the wages, asking the Bank to say that the sum is a gift in the form of a salary. The Bank has said it. The note does not say whether this was a joke. Ref. CIBT-2995-B265-0		
31 Aug	Interest at 4.80% APY	+265,034	63,356,447
	You have not withdrawn interest once since 2993, and each quarter it is posted back to the balance and begins to earn in its own right. The officer at Hall E calls this compounding, and does not ask whether you intend it. Ref. CIBT-2995-620D-7

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
