Date	Description	Amount (s)	Balance (s)
01 Jul	ATM withdrawal: Svalbard	-259,200	29,888,126
	A withdrawal at Svalbard was posted to a branch account with the same number and a different check digit. The entry has moved to yours, and the other account has been reconciled to the second. Ref. CIBT-3002-AAAC-9		
05 Jul	Deposit: Hall E	+56,942	29,945,068
	Each month the Ceres Ring Assay Office deposits 56,942 to 8564-8564-3261 on the 5th, less the staff canteen charge. The canteen charge is waived in any month the canteen is closed, which has been most of them. Ref. CIBT-3002-7A19-3		
14 Jul	Payroll credit: the Ceres Ring Assay Office	+381,778	30,326,846
	The Ceres Ring Assay Office payroll office sends a covering line with each credit, listing the hours worked by each grade rather than the sum alone. The Bank files the line with the credit, and has been told that nobody at the Ceres Ring Assay Office has opened one since 3000. Ref. CIBT-3002-8F7D-6		
17 Jul	Slippage fee (Svalbard, 2 transfers)	-1,200	30,325,646
	Each crossing is rounded up to the next whole second and the day's total rounded down, so the sum shown, 0.30 s, is not the figure you would reach by adding the crossings. The difference of 0.985 of a second falls in the Bank's favour, and the Bank has declined to keep it. Ref. CIBT-3002-3CAF-0		
31 Jul	Interest at 4.80% APY	+120,589	30,446,235
	The Ceres Ring Assay Office has moved its deposit on this account to the same day as your interest, so the two arrive together and the officer hands over one slip for both. You asked which of them the slip was for, and were told the interest, as the deposit was only passing through. Ref. CIBT-3002-47BF-0
