Date	Description	Amount (s)	Balance (s)
10 Jul	New Time™ exchange	+8,386	57,126,089
	The exchange was posted at Luna on the 10th, and the Head Office's copy of the posting arrived on the 10th, carried by a courier who had taken the long way round a moon. Both copies agree. The courier has asked for a note of thanks, which the office has written out by hand. Ref. CIBT-3029-D369-6		
11 Jul	Payroll credit: the Ceres Ring Assay Office	+381,778	57,507,867
	Pay from the Ceres Ring Assay Office was held 30 days at the Luna exchange, where a bell rang that the clerk did not recognise. Nothing could be released until the bell was explained, and it was identified on the 11th as a fire-alarm test. Ref. CIBT-3029-E864-7		
15 Jul	ATM withdrawal: Luna	-86,400	57,421,467
	You fold each withdrawal into the same wallet and count it once at home before you come back for the next. The officers have never seen the wallet, but the custodian says it is always the correct weight. Ref. CIBT-3029-5603-2		
20 Jul	Slippage fee (Luna, 6 transfers)	-1,800	57,419,667
	The officer checked the fee with one pencil and then with a second, and said that the second was for the first's benefit. It came to 1,800 seconds in both. Ref. CIBT-3029-3280-1		
26 Jul	Transfer to own account: Luna	-55,953	57,363,714
	For the auditors: this sundry was keyed twice on the 26th, by two officers who each believed they were the only one keying it. One entry stands. The other is struck through and initialled, and both sets of initials are correct. Ref. CIBT-3029-4893-2		
29 Jul	ATM withdrawal: Luna	-86,400	57,277,314
	An earlier line showed this withdrawal as 86,400, and the receipt gives One Standard day. Under Part Four of the Branch Standing Orders, the two were reconciled as a conversion at the posted rate, the earlier line has been struck, and the difference returned to the account. Ref. CIBT-3029-3F13-7		
31 Jul	Interest at 4.80% APY	+228,470	57,505,784
	Interest was held back 29 days because the account was moved from Hall E to a branch on a different clock. The move was completed on the 31st, and the held interest was paid at once, in full and in arrears. Ref. CIBT-3029-2CBD-7		

Closing balance, month by month

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
