Opening balance	Credits	Debits	Closing balance
15,615,370 s	**+180,551 s**	**-2,278,240 s**	**13,517,681 s**

Date	Description	Amount (s)	Balance (s)
02 Mar	ATM withdrawal: New Orleans Sector	-86,400	15,528,970
	The standing draw of One Standard day from New Orleans Sector is set for the 2nd and has run without interruption since the machine was installed. The machine has been replaced twice, and the draw was carried across to each new one by hand. Ref. CIBT-2995-AB12-7		
06 Mar	Payroll credit: Ganymede Heights Infirmary	+135,007	15,663,977
	The payroll audit asks for unclaimed wage credits to be listed against each employee. Yours, dated the 6th, was kept behind the calendar, one month out until you claimed it, and the line is now closed. Ref. CIBT-2995-EEF2-5		
14 Mar	Temporal Health Plan	-33,475	15,630,502
	The Teller notes that the claim form was completed in pencil, which the plan accepts, and in capitals, which it does not require but which saved the clerk a squint. Ref. CIBT-2995-F677-1		
15 Mar	Lyric Licensing Desk	-106,452	15,524,050
	The counterpart register at New Orleans Sector records the verse as performed on the 15th. The Head Office records it on the same date, one local day apart. The Desk has agreed that both are right, which is how worlds usually manage it. Ref. CIBT-2995-794B-7		
23 Mar	Transfer to joint account	-81,004	15,443,046
	Auditors note that the joint account went overdrawn once, on the 23rd of 2993, by the length of a single sentence. The sentence was never finished, and the account has not been overdrawn since. Ref. CIBT-2995-C001-9		
26 Mar	Transfer to own account: New Orleans Sector	-1,884,509	13,558,537
	Sundry charges at Hall E are levied in whole days, but sundry refunds are paid in whole seconds. The Bank understands this arrangement well, the customer rarely does, and the Bank would not change it. Ref. CIBT-2995-62C7-3		
29 Mar	ATM withdrawal: New Orleans Sector	-86,400	13,472,137
	Asked how many withdrawals you have made at New Orleans Sector this year, the Teller said she had counted them, then counted again to be fair to the machine, and the answer was 9. Ref. CIBT-2995-2652-4		
31 Mar	Interest at 3.50% APY	+45,544	13,517,681
	Posting was held 28 days, because the day the interest fell on was declared a holiday at New Orleans Sector after the schedule had been printed. The holiday was observed, the schedule was not, and the interest followed once both had caught up. Ref. CIBT-2995-DD64-9

April 2994 — March 2995

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
