Standard Time Deposit

Teodor Ellsworth
Unit 1, Pallas Ring 10

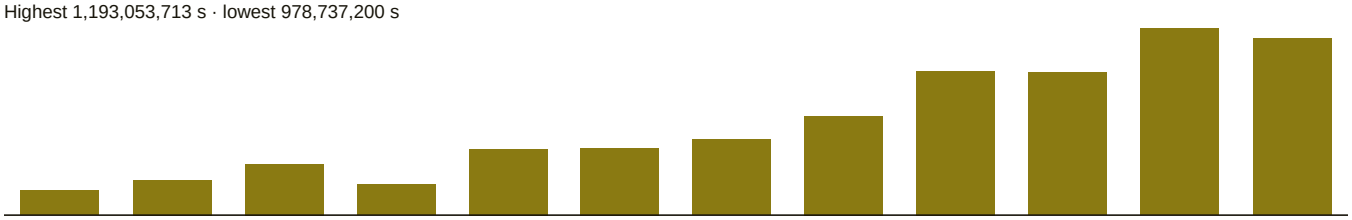

Account 8564-8564-8807
Period 1–31 October 3003
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
1,193,053,713 s	**+8,079,181 s**	**-21,488,667 s**	**1,179,644,227 s**

Date	Description	Amount (s)	Balance (s)
01 Oct	ATM withdrawal: Kepler Ring	-259,200	1,192,794,513
	The Teller asks us to say that the machine at Kepler Ring is quieter than it was, and that she is grateful for it, though she does not say for what. Ref. CIBT-3003-9A4F-2		
06 Oct	Transfer to joint account	-2,580,706	1,190,213,807
	Joint account 8564-2485-4383 was opened in 2999 by a holder who has since moved to Kepler Ring. The second holder keeps the account at Hall E and sends the transfer the other way round, so the two halves have never once met in the same office. Ref. CIBT-3003-4C3E-7		
12 Oct	Transfer to own account: Kepler Ring	-18,389,561	1,171,824,246
	"I wrote 'as discussed' in the reason box," the holder says, "and the officer agreed that was a reason." The Bank has accepted the phrase, which is now on file for the purpose. Ref. CIBT-3003-1005-6		
22 Oct	Payroll credit: St. Catherine Bakeries	+4,301,178	1,176,125,424
	The Teller counted the credit twice, once in turns and once in St. Catherine Bakeries's own figures, and reports that the two agree. That is more than can be said for most employers. Ref. CIBT-3003-43FD-9		
27 Oct	ATM withdrawal: Kepler Ring	-259,200	1,175,866,224
	The Teller watched the notes come out of the slot, watched you take them, and said nothing at all, which at this window counts as the highest compliment available. Ref. CIBT-3003-F8DD-0		
31 Oct	Interest at 3.80% APY	+3,778,003	1,179,644,227
	At 3.80% APY the day's interest came to 15 seconds and a part. The part was rounded down, as the rule requires for interest owed to a depositor, and up for interest owed by one. Ref. CIBT-3003-7C84-8		

Closing balance, month by month

November 3002 October 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
