Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
9,916,033 s	**+140,443 s**	**-545,583 s**	**9,510,893 s**

Date	Description	Amount (s)	Balance (s)
08 Jul	ATM withdrawal: Delhi Sector	-86,400	9,829,633
	The 8th of every month brings the draw of One Standard day, which the machine dispenses at the same minute as the local bell for the first shift. Nobody has asked the machine to do this. It keeps its own timetable. Ref. CIBT-3003-2CAC-7		
10 Jul	ATM withdrawal: Delhi Sector	-259,200	9,570,433
	Cash at Delhi Sector, the third time this month you have asked for days and then asked for them back in figures. The machine does not mind. The Teller, consulted, says that she does, a little. Ref. CIBT-3003-F6C8-5		
22 Jul	Transfer to own account: Delhi Sector	-191,883	9,378,550
	The officer countersigned the sundry of 191,883 at the Hall E counter, having been asked to read the total aloud, which the Bank records as a point of honour, kept without an audience. Ref. CIBT-3003-0BEB-7		
23 Jul	Payroll credit: Belt Ore Consolidated	+110,695	9,489,245
	Belt Ore Consolidated's office at Delhi Sector pays its wages a day ahead of the local calendar, so the credit lands here before the work it pays for has finished there. The office asks that the work be considered finished from the moment it is paid for, which the payroll clerk says is the usual view on that world. Ref. CIBT-3003-1D74-2		
24 Jul	Slippage fee (Delhi Sector, 9 transfers)	-8,100	9,481,145
	Transfers made on a Monday tend to arrive late. The officer suggests you send them on a day with better luck. You said Monday was the day you were paid, and the officer said that settled it. Ref. CIBT-3003-497E-1		
31 Jul	Interest at 3.60% APY	+29,748	9,510,893
	The Teller was asked whether interest is paid at weekends. She said it is paid on every day the Bank is open, and that the Bank has never once asked for a weekend off, which she considers the only sensible answer. Ref. CIBT-3003-86CF-5

August 3002 July 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
