Date	Description	Amount (s)	Balance (s)
01 Jul	Slippage fee (Bronx Sector, 3 transfers)	-1,800	28,749,452
	Your 3 crossings were held 28 Standard days at the Bronx Sector relay while an engineer looked at a fault in its counter. No fee is charged for the hold; the fee applies to the time spent crossing and to no other. Ref. CIBT-2995-168C-3		
09 Jul	ATM withdrawal: Bronx Sector	-172,800	28,576,652
	The machine did not recognise the signature on the withdrawal of 2 Standard days at Bronx Sector, which was yours, and has asked the Bank which of the two of you it should have believed. The Bank has not yet decided. Ref. CIBT-2995-5921-6		
14 Jul	Transfer to own account: Bronx Sector	-869,357	27,707,295
	A thin skin of ice formed on the Zarane harbour overnight, the first in a century, and the clerks walked out onto it to see whether the rate would hold. The sundry was therefore posted a day late, and the day has been entered as a day. Ref. CIBT-2995-5D0C-3		
26 Jul	Payroll credit: Kepler Ring Hydroponics	+179,819	27,887,114
	The payroll was a day late because the firm's paying clerk had gone to the surface to see the sun, and the clerk's signature is needed before the sum can leave the dock. The clerk has seen it, and has come back down with a description. Ref. CIBT-2995-4786-4		
31 Jul	Interest at 3.70% APY	+88,649	27,975,763
	The fee on the interest has been waived, the interest on this account having exceeded the fee for the first time since it was opened. The Bank takes the view that a charge should not be larger than the thing it is charged on. Ref. CIBT-2995-7B2B-4

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
