STATEMENT OF ACCOUNT
Standard Time Deposit

Rafe Gunnarsdottir
Unit 215, Pallas Ring 10

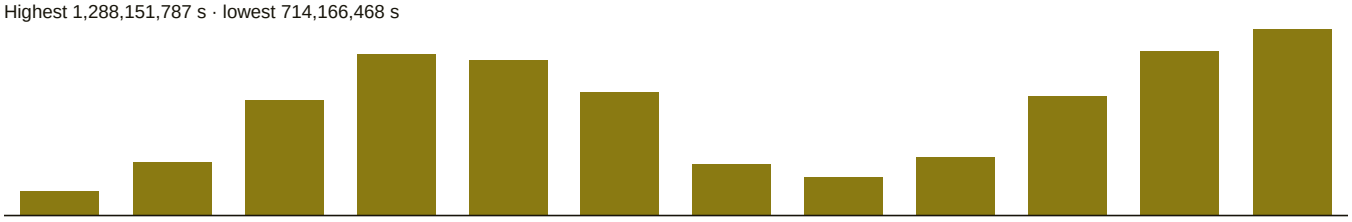

Account 8564-8933-5708
Period 1–31 January 2990
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
1,211,185,073 s	**+77,398,714 s**	**-432,000 s**	**1,288,151,787 s**

Date	Description	Amount (s)	Balance (s)
07 Jan	Memory Vault: box 88-730, quarter	-259,200	1,210,925,873
	Box 88-730 is inspected once a quarter, and the inspection is paid for in the rental and not billed separately. The custodians describe this arrangement as tidy, and have asked whether you would prefer it to stay that way. Ref. CIBT-2990-AD83-2		
08 Jan	ATM withdrawal: Lagos Sector	-86,400	1,210,839,473
	The officer at the Hall E desk notes that you took the cash in small denominations. The Bank prefers this form and would be grateful to see it more often. Ref. CIBT-2990-E4E1-1		
14 Jan	Deposit: Hall E	+65,609,069	1,276,448,542
	Deposit made from the counting room of Titan Methane Works, on your behalf, and checked here against the company's slip. The two slips agree to the second; the company's own officer has initialled both and asked that the initials be kept with the deposit. Ref. CIBT-2990-56EA-3		
16 Jan	ATM withdrawal: Lagos Sector	-86,400	1,276,362,142
	No fee is charged on this withdrawal. The machine asked whether you wished to continue, and you said yes. The Bank regards a withdrawal confirmed by the customer as one the customer intended. Ref. CIBT-2990-02BF-6		
22 Jan	Payroll credit: Titan Methane Works	+8,559,819	1,284,921,961
	Titan Methane Works's auditors asked for these wages to be held for 31 days. The sum was held because the transfer had been queued behind an audit, and has now been released with the posted interest for the period. Ref. CIBT-2990-3DBD-5		
31 Jan	Interest at 3.20% APY	+3,229,826	1,288,151,787
	You read the interest line before anything else on each statement, and then read the rest in the same order as before. The Teller has noted that the habit has not changed since 2987, and sees no reason it should. Ref. CIBT-2990-F9A6-8		

Closing balance, month by month

February 2989 January 2990

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
