Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
12,528,268 s	+129,509 s	-221,268 s	12,436,509 s

Date	Description	Amount (s)	Balance (s)
01 Jul	Temporal Health Plan	-30,588	12,497,680
	Your physiotherapy claim waited 30 days in the in-tray marked "urgent", in a hand that predates the label. The plan considers that a reasonable interval for urgency and has taken a note of the hand. Ref. CIBT-3003-7D6B-1		
12 Jul	Transfer to own account: Callisto	-133,099	12,364,581
	You pay every sundry in the exact sum, never a coin over. The counter stopped giving change some years ago and started giving thanks, which you say you prefer. Ref. CIBT-3003-2135-1		
18 Jul	Transfer to joint account	-55,781	12,308,800
	The joint transfer waited 28 days, because both holders had to be present to confirm it and one had been travelling. The second holder was confirmed on the 18th, and the transfer followed within the hour. Ref. CIBT-3003-8928-7		
25 Jul	Payroll credit: Harbourfront Shipping	+92,969	12,401,769
	The credit from Harbourfront Shipping crossed from the Callisto station by light-speed courier, which took 28 days and charged the Bank nothing for the trouble. The courier's log shows the pay was ready on time. The courier was not. Ref. CIBT-3003-D1E2-4		
26 Jul	Slippage fee (Callisto, 3 transfers)	-1,800	12,399,969
	A standing order to 8564-6255-3095 crosses at 0.30 s each month, which is exactly the sum your own watch would have predicted, had anyone thought to ask your watch. Ref. CIBT-3003-7184-0		
31 Jul	Interest at 3.50% APY	+36,540	12,436,509
	You have asked the Bank to tell you the interest figure before the period closes. The Bank has declined, politely, on the grounds that the figure is not yet owed. You said you would wait, and the officer has written "waiting" on the file. Ref. CIBT-3003-E78E-7

August 3002 July 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
