Date	Description	Amount (s)	Balance (s)
06 Oct	ATM withdrawal: New Orleans Sector	-172,800	214,711,314
	Withdrawals of 2 Standard days are made each Standard week at New Orleans Sector for a sum the holder has never named. The machine pays out without comment, and the holder says nothing in return, which the Bank takes as consent. Ref. CIBT-2989-86C1-6		
07 Oct	Memory Vault: box 44-068, quarter	-259,200	214,452,114
	The box was taken on the advice of Cloudport Aerostat Lines's occupational clinic, which found that its staff were filing memories faster than they could spend them. The box is one of the company's remedies. Ref. CIBT-2989-27D7-8		
09 Oct	Slippage fee (New Orleans Sector, 9 transfers)	-2,700	214,449,414
	The fee was posted to 8564-1061-0781, which shares its first four figures with your account. The seconds were moved on the 9th, and the crossing now stands against the right account, with the fee unchanged. Ref. CIBT-2989-7E46-0		
13 Oct	Payroll credit: Cloudport Aerostat Lines	+6,086,514	220,535,928
	A wage that falls exactly on the half-second is rounded down by the firm and up by the Bank, and the 29 seconds of difference go into a small tray in the vault marked for later. The tray has been there since 2989 and has grown a little by interest. Ref. CIBT-2989-941A-3		
13 Oct	Deposit: Hall E	+54,676,914	275,212,842
	You deposit on the 13th of every month and apologise in advance for the amount, which is always the same. The officer says it is not too small to be accepted, and you thank her, each time, for accepting it. Ref. CIBT-2989-EECD-3		
24 Oct	ATM withdrawal: New Orleans Sector	-172,800	275,040,042
	A withdrawal of 172,800 at New Orleans Sector was logged on the 24th as made by a customer who was, that morning, at the Head Office signing a deposit. The Committee has agreed that both entries are true. Ref. CIBT-2989-044E-1		
29 Oct	Turbulence Cover	-23,552	275,016,490
	The claim was held with a thumbprint where the ink had not dried while the carrier's manifest was copied out again after its printer ran short of ink. The copy is legible, and rather more formal than the original. Ref. CIBT-2989-806D-6		
31 Oct	Interest at 3.20% APY	+573,024	275,589,514
	Your staff savings interest is credited here at the posted rate, and Cloudport Aerostat Lines sends a note each quarter asking whether you would like it matched. The firm has been told that the Bank does not match rates, and has asked for the note to be kept on file anyway. Ref. CIBT-2989-75FB-4

June 2989 October 2989

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
