Period 1–31 October 3000
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
1,717,925,286 s	**+64,479,928 s**	**-348,600 s**	**1,782,056,614 s**

Date	Description	Amount (s)	Balance (s)
01 Oct	Slippage fee (Mars Station, 5 transfers)	-3,000	1,717,922,286
	The fee was reckoned on the Standard day, not on the local one, though the crossing was made on the local day. The difference of 2,100 seconds has been credited back, and the correction is initialled in the margin in the officer's hand. Ref. CIBT-3000-532E-8		
02 Oct	ATM withdrawal: Mars Station	-86,400	1,717,835,886
	A withdrawal at Mars Station was held while the machine waited for the local branch's note of the day's count, which came up on the afternoon relay. The count matched the machine's to the same sol. Ref. CIBT-3000-1863-5		
04 Oct	Memory Vault: box 44-068, quarter	-259,200	1,717,576,686
	Box 44-068, rental for the quarter just closed. A single recollection was withdrawn on the 4th and returned to the counter, but the box's rental continues at the full rate until the owner signs for its return. Ref. CIBT-3000-AC72-2		
13 Oct	Deposit: Hall E	+59,898,794	1,777,475,480
	A note for the auditors: the 59,898,794 entered on the 13th was keyed twice and reversed once. The second line is the true one, and the first has been struck through with a ruler, which the auditors ask us to say was done neatly. Ref. CIBT-3000-AB49-5		
31 Oct	Interest at 3.20% APY	+4,581,134	1,782,056,614
	You measure the balance against the interest with a ruler on the counter, line by line, and check the last digit with your thumb. The officers have agreed the ruler is yours and have stopped asking you to put it away. Ref. CIBT-3000-7E23-0		

Closing balance, month by month

Highest 1,986,430,084 s · lowest 1,608,056,524 s

November 2999 October 3000

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
